

Summer 2025

Leap Into Kindergarten

The Leap Into Kindergarten Program is a family transition program and will be offered at 22 SUN Community Schools this summer at Portland Public Schools.

These are FREE summer programs for children entering kindergarten.

The program focuses on building connections with school staff and families, practicing the functional and literacy routines foundational to the Kindergarten day.

- Children have the opportunity to experience 4 hrs. of classroom time with a Kindergarten Teacher.
- Parents/caregivers attend sessions to receive information & resources that will strengthen their families and help their child succeed in school.

Portland Public School District is in collaboration with Multnomah County SUN Community Schools , the City of Portland, nonprofits.
