**People's Utility District**

Referred to the People by the Board of County Commissioners

**26-191 Columbia River People's Utility District Annexation.**

**Question:** Should territory presently within allocated service territory of Columbia River People's Utility District be annexed into the CRPUD political boundaries?

**Summary:** Columbia River People's Utility District (CRPUD) has been providing electric services to Multnomah County customers in certain areas within Multnomah County lying along the West bank of the Multnomah Channel who are within CRPUD's allocated service territory but outside its political boundaries. However, because this area lies outside of the current political boundary of the Columbia River People's Utility District, these customers are not represented or allowed to vote on CRPUD matters as are other customers. The CRPUD Board passed a Resolution on January 17, 2017, recommending annexation of the Multnomah County territory if customers within Multnomah County approve the annexation.

This measure would annex the Multnomah County territory currently served by CRPUD and allow Multnomah County customers to be represented and vote in CRPUD matters.

Yes, I Vote For Annexation

No, I Vote Against Annexation
