

# East Portland: Summer 2025 Projects

May 2025

**PBOT**  
PORTLAND BUREAU OF TRANSPORTATION

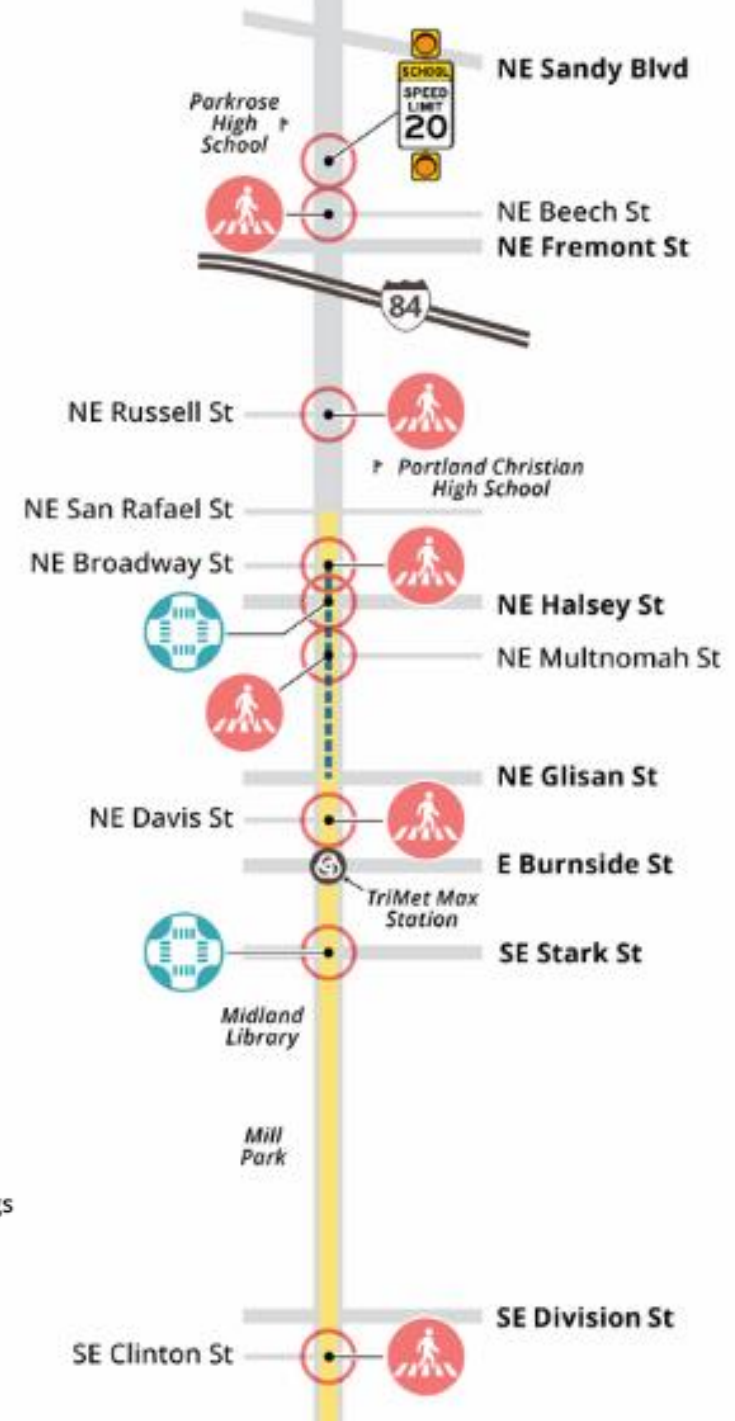

# 122<sup>nd</sup> Avenue – Upcoming Projects

- **In construction in 2025**

- Paving and protected bike lanes between NE Broadway and NE Glisan
- Intersection redesign of Halsey and 122nd
- New street lighting from San Rafael St to Foster Rd
- 2 new signalized crossings at NE Davis and SE Clinton St.

- **In construction in 2026**

- Four new crossings

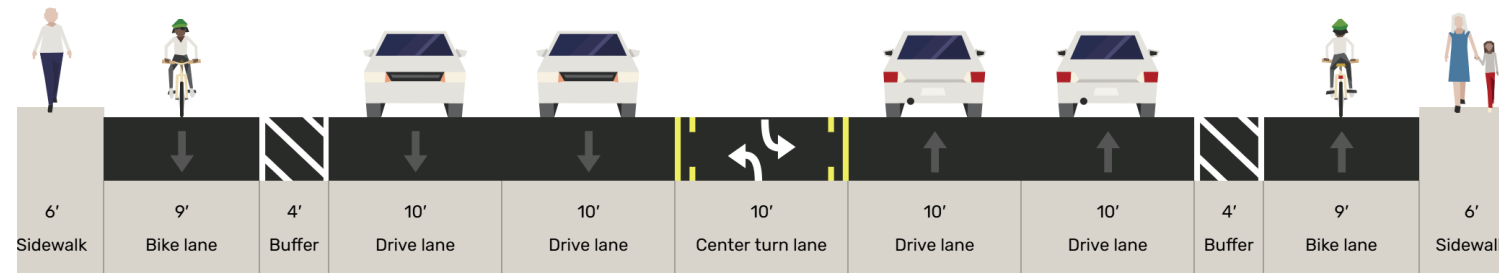

# Capitalizing on Paving

- **122<sup>nd</sup> Avenue is being repaved June/July 2025 between NE Broadway and NE Glisan Street**
- PBOT is using the opportunity to restripe the street, converting the current on-street parking to a bicycle lane, and converting the current bicycle lane to a buffer

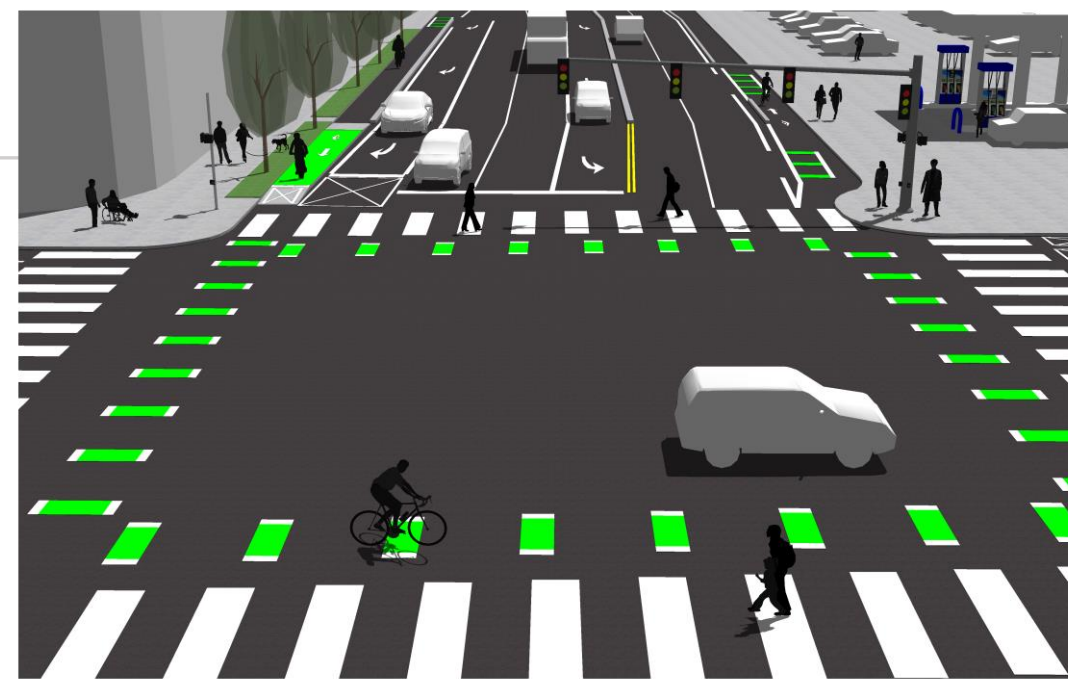

*Existing Conditions*

*New Cross-Section*

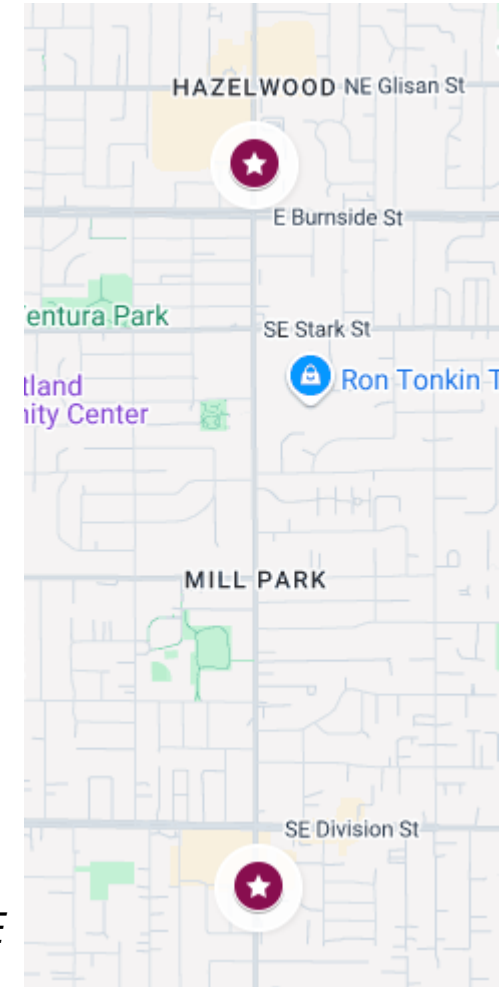

# Halsey and 122<sup>nd</sup> Intersection

- PBOT is also capitalizing on the paving work to modify the intersection of 122<sup>nd</sup> and Halsey
- Work involves elevating the bike lanes up to the intersection and separating right-turn movements from through people walking, biking, or driving straight
- Also includes some stormwater improvements and signal modifications
- **Work will occur in May-July 2025**

# New Crossings of 122<sup>nd</sup> at NE Davis and SE Clinton Streets

- **Later in 2025, new crossings of 122<sup>nd</sup> will be constructed at NE Davis and SE Clinton Streets**
- Additionally, lighting infill work will occur between NE San Rafael and SE Foster Road

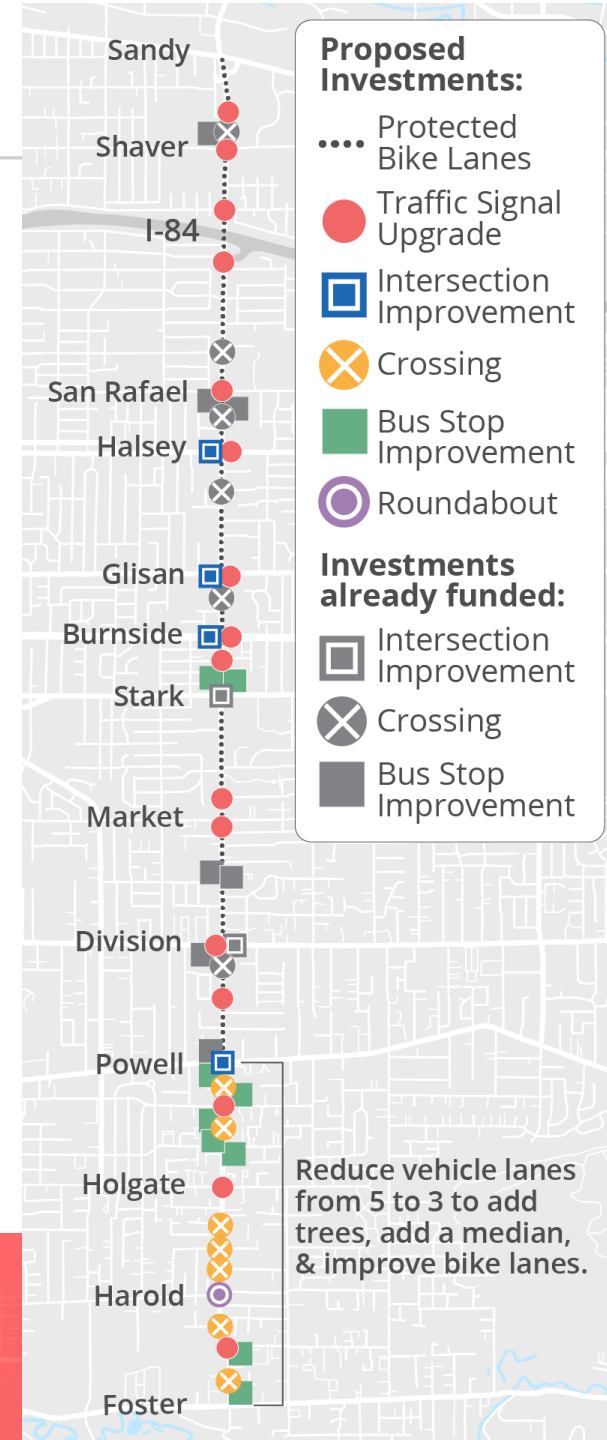

*New pedestrian crossings at NE Davis and NE Clinton Streets*

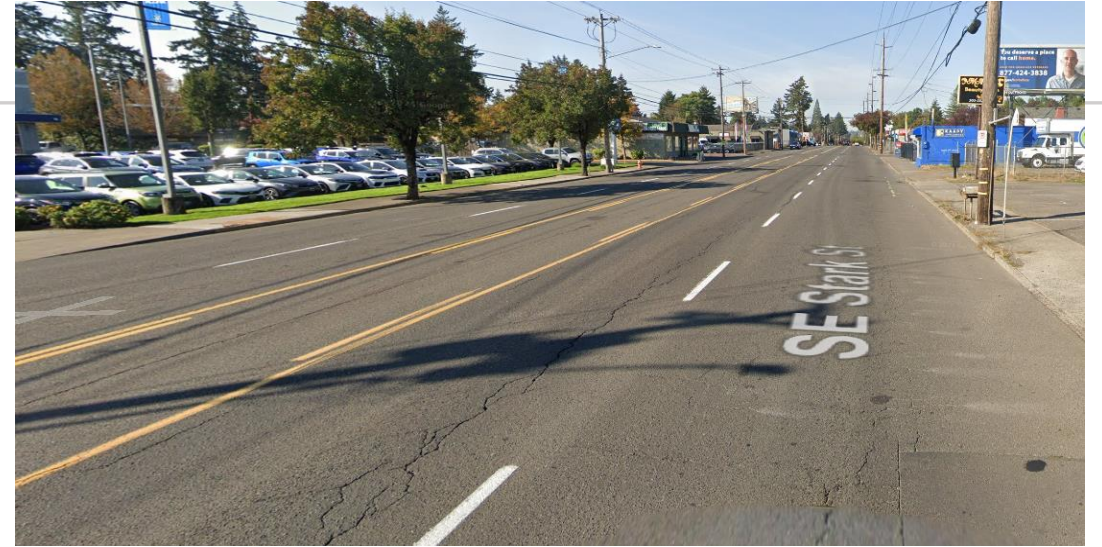

# Future Projects

- In 2026, new crossings of 122<sup>nd</sup> Avenue will be installed at NE Beech, NE Russell, NE Broadway, and NE Multnomah Streets
- We are also beginning work on comprehensive safety improvements between NE Sandy Boulevard and SE Foster Road, funded by Safe Streets For All. Construction is anticipated to occur in 2027/2028.
- **To learn more and sign up for updates on all these projects,** visit [www.Portland.gov/122nd](http://www.Portland.gov/122nd)

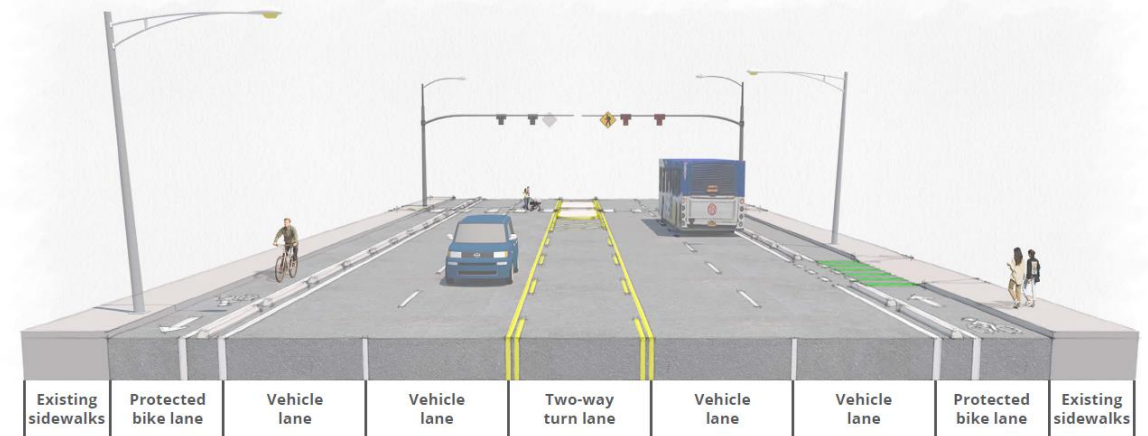

# Paving SE Stark 108th-122<sup>nd</sup>

- **SE Stark Avenue (108<sup>th</sup>-122<sup>nd</sup>) is being repaved May 2025**
- Following paving, PBOT Maintenance will restripe the street, converting the current on-street parking to a protected bicycle lane in each direction.
- PBOT will follow with quick-build construction contract to install vertical protection (summer 2025, date TBD)

*Existing Conditions*

*New Cross-Section*

# Thank you!
