

2024 BPCAC Committee Work Plan

The Multnomah County Bicycle and Pedestrian Community Advisory Committee (BPCAC) Work Plan is a living document to provide opportunities to plan and focus for upcoming meetings. Proposed topics will be adjusted based on feedback. Some tentative agenda items are likely to shift dates to accommodate project and presenter schedules or emerging priorities.

BPCAC's [bylaws](#) provide guidelines for the purpose and duties of the Committee. These are:

1. Advise the Board and the Transportation Division on matters involving bicycle and pedestrian transportation.
2. Identify specific bicycle and pedestrian issues, problems, and opportunities, and assist in evaluating projects for the Capital Improvement Plan.*
3. Serve as a source of volunteers for assisting the Transportation Division at public events supporting bicycle and pedestrian issues.

*The Bicycle Capital Improvement Plan and the Pedestrian Capital Improvement Plan were folded into the 2020 Roads Capital Improvement Plan(CIP).

Multnomah County staff use the bylaws to guide the identification of topics, presentations, and updates to bring to the BPCAC along with feedback from committee members.

Upcoming Projects

- ADA Transition Plan
- Sandy Blvd Safety Improvements Project
- East Multnomah County Transportation Safety Action Plan (TSAP), Safe Streets for All
Through Metro, the [Safe Streets for All grant program](#) awarded funding that will enable our East County jurisdictions to develop a coordinated strategy for reducing fatal and serious injury traffic crashes. The TSAP development timeline is 2024-2025.
- Multnomah County Design and Construction Manual Update
- Burnside Bridge Replacement. In addition to BPCAC member representative (Valerie) updates, staff will present milestones
- 223rd Safe Routes to School Improvements (Fairview TSP and preliminary design)
- Safe Routes to School Infrastructure grant - new grant application in 2024

Unscheduled/additional topics for consideration - want member feedback for interest

- MultCo Transit Service/Job Connector Shuttle Program
- TriMet FY2025 Service Plan Proposal/Forward Together
- Diversity, Equity, and Inclusion in Transportation Programs
- Bridge Work Updates - Broadway Deck Replacement, Morrison Strengthening
- Street Lighting in East County - Mid-County Lighting District
- Metro Regional Travel Option strategy update
- TriMet security and safety update
- Glisan Water Quality Project
- Metro Transit Study (end of year)

The BPCAC Work Plan also includes ongoing reports on traffic fatalities and updates on safety. Monthly Safety Updates will provide status updates on the TSAP planning process, announcements and accomplishments related to the Safe Routes to School program, and information on best practices.
