

# Forward Together 2.0

A Long-Range Plan for TriMet Service

Project Update to EMCTC

September 16, 2024

# Forward Together 2.0: Purpose

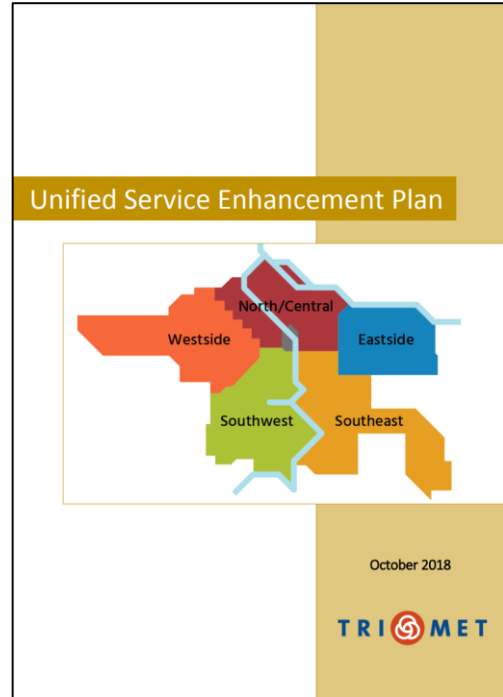

- Provide aspirational vision for TriMet service growth
- Respond to community desires and support TriMet's Vision 2030
- Identify how to meet targets for ridership in the Regional Transportation Plan
- Use as a tool to seek additional operating revenue

# Build on this

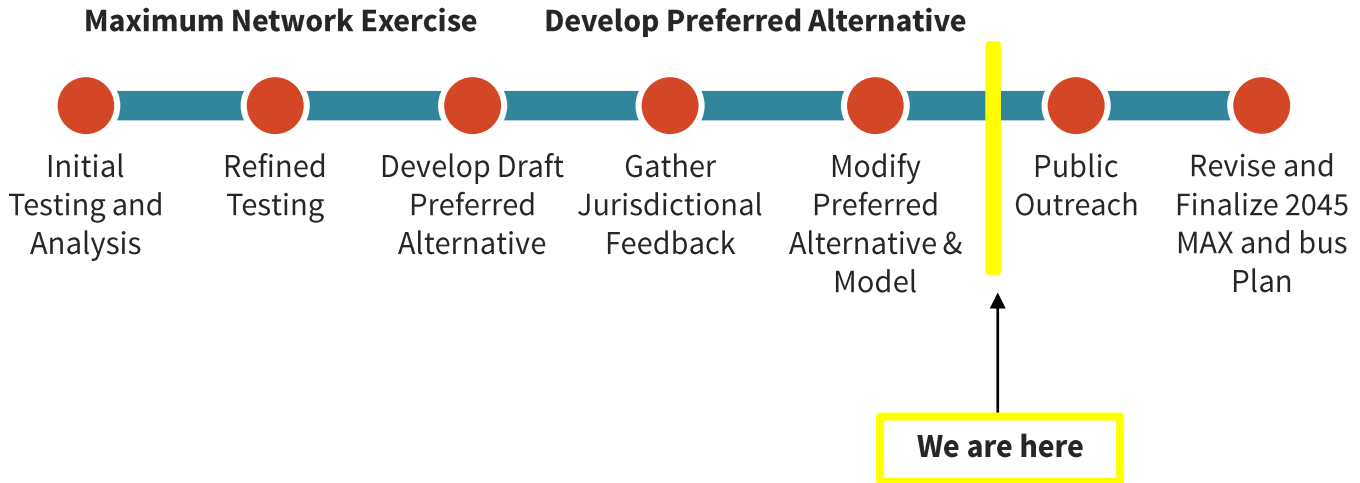

[Trimet.org/forward](https://trimet.org/forward)

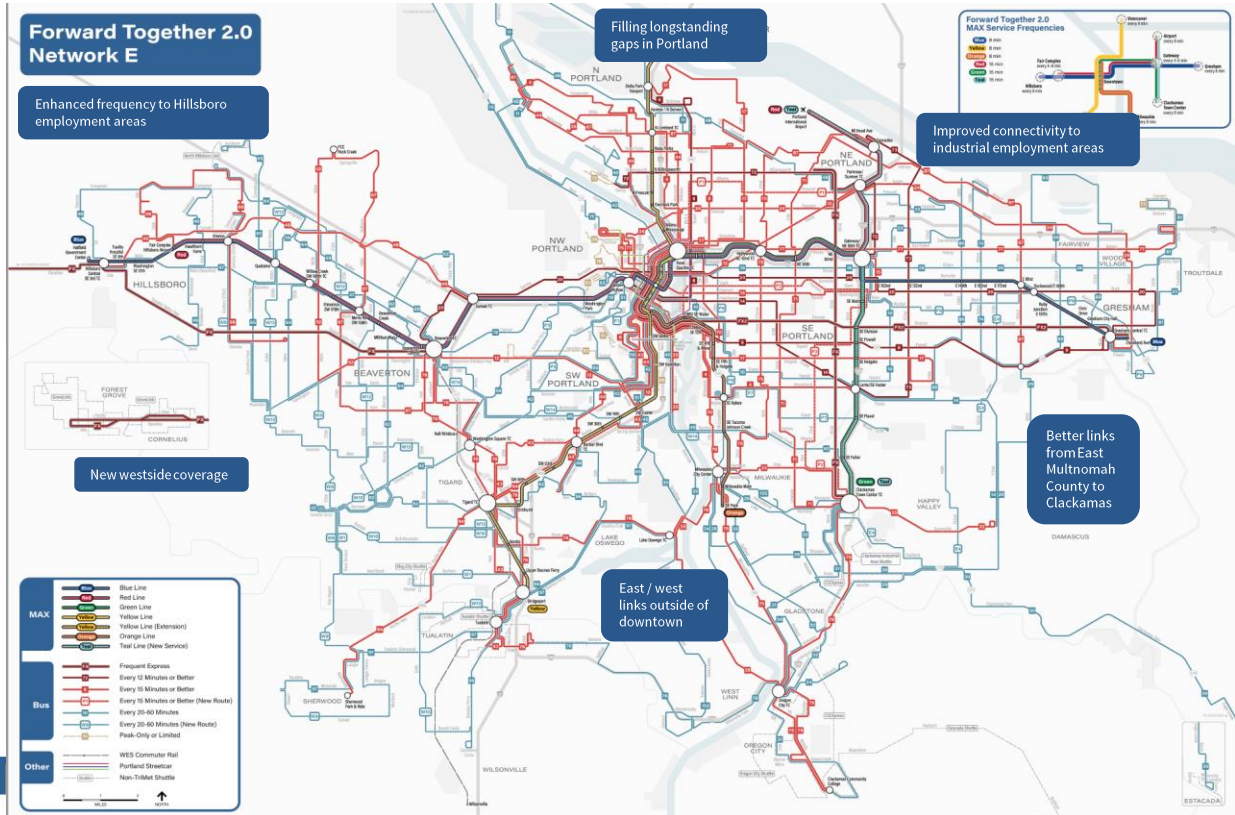

# Replace this

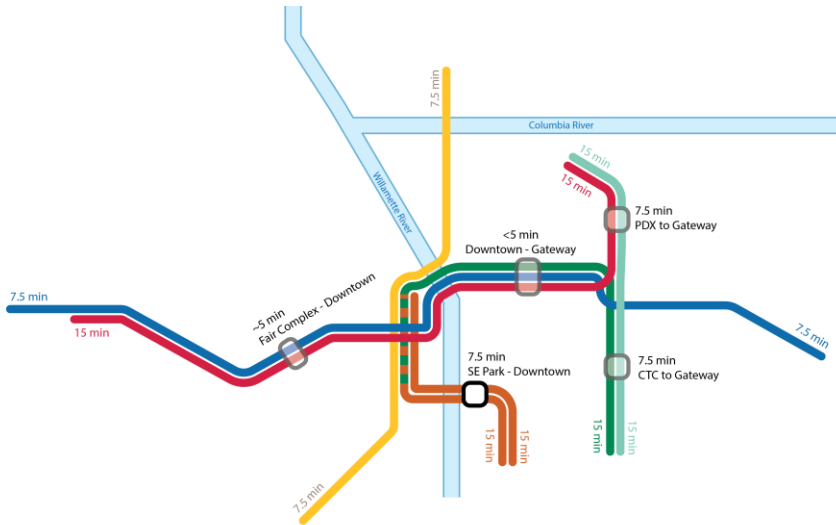

# Project Timeline

# Forward Together 2.0: Draft Future Network

# Forward Together 2.0 MAX Service Concept

- All MAX segments would operate at 7.5 minute frequency or better.
- Blue Line every 7.5 minutes.
- Yellow Line runs from Vancouver to Tualatin every 7.5 minutes.
- "Teal" Line - new direct service between PDX and Clackamas Town Center.
- Green and Orange interlined.
