Where were we this time last year?

Multnomah County & Greater Portland Area Traffic Deaths Update 2007-2024 for January-September

October 2024

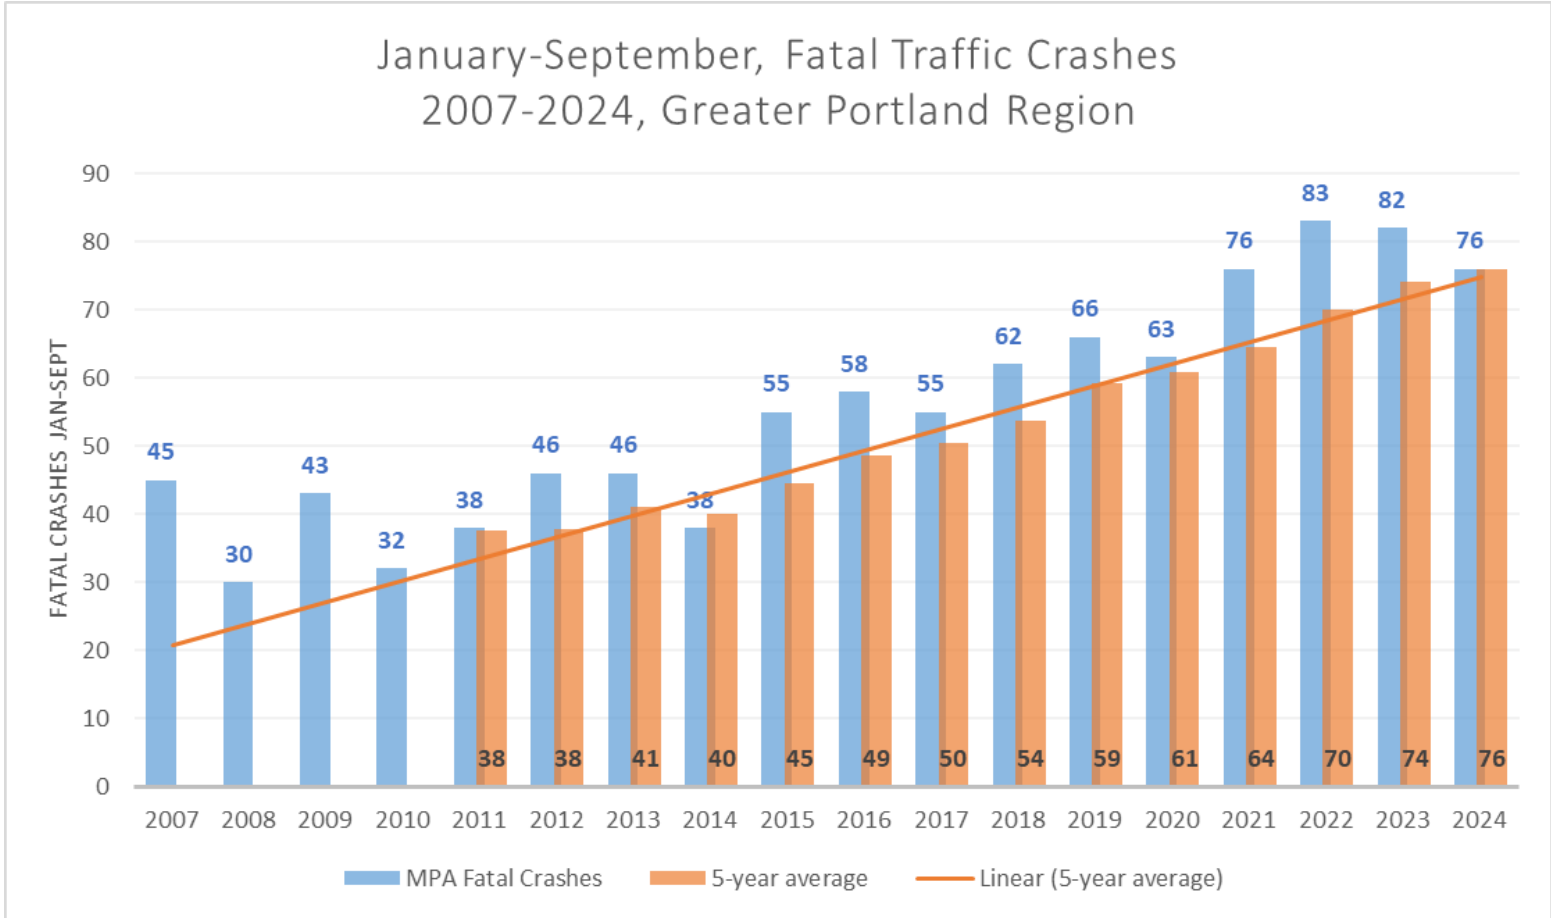

This chart shows **traffic deaths** for the months of January through September from 2007 to 2024 in the **greater Portland region**. The blue bars and numbers show the number of deaths counted. The orange bars and black numbers show the annual average based on five-years of traffic deaths. Annual averages provide a better understanding of traffic death trends, accounting for the randomness of crashes. The trendline illustrates that traffic deaths are increasing.

Source: Oregon Department of Transportation, Crash Analysis and Reporting Unit (CAR) 2022 Statewide Crash Geodatabase. Note, the 2023 and 2024 preliminary crash data is accessed from the ODOT Initial Fatal Crash Information Viewer on 10/8/24; This application contains preliminary information on fatal crashes in Oregon and is subject to change; some fatal crashes may be removed if they do not meet our reporting criteria, others may take time to get entered.
