What types of actions do you support? Place up to three dots in the box below your top choices.
¿Qué tipos de acciones apoyas? Coloca hasta tres puntos adhesivos en el cuadro debajo de tus opciones favoritas.

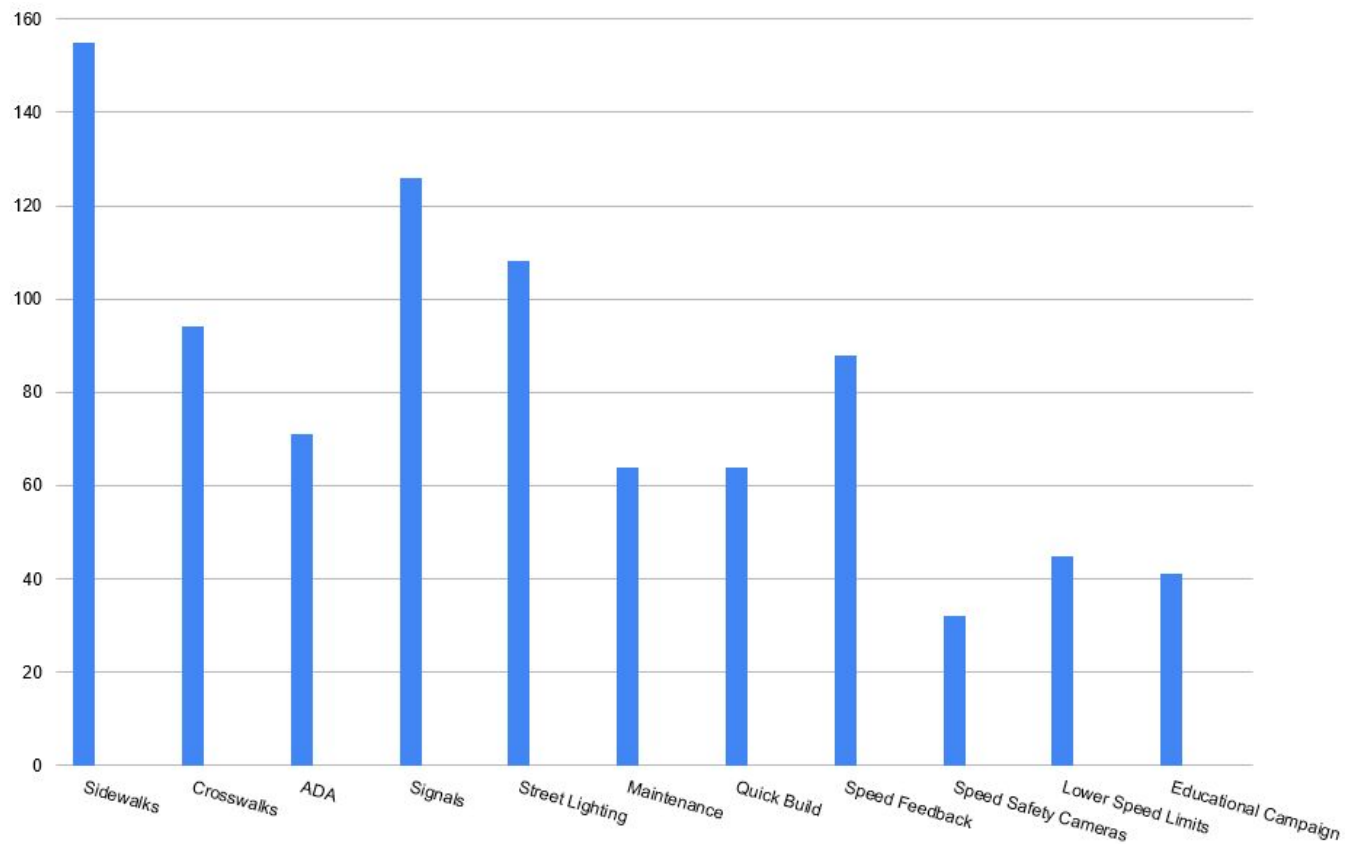

Complete gaps in sidewalks and bike lanes. Completar las aceras y las ciclovías.	Construct high-visibility crosswalks with beacons when crossing opportunities are scarce. Construir pasos de peatones de alta visibilidad con beacons donde las oportunidades de cruce sean escasas.	Address accessibility (ADA) issues, such as adding curb ramps and removing sidewalk obstructions. Abordar los problemas de accesibilidad (Ley de Estadounidenses con Discapacidades (ADA)), como añadir rampas en los bordillos y eliminar los obstáculos en las aceras.	Optimize traffic signal timing to give pedestrians a head start to cross the street. Actualizar el horario de los semáforos para que los peatones tengan más tiempo al cruzar la calle.
Improve street lighting, especially pedestrian crosswalks along the corridor. Mejorar la iluminación de las calles, sobre todo a lo largo de los tramos peatonales.	Prioritize maintenance actions that are critical for safety. Prioritar las medidas de mantenimiento críticas para la seguridad.	Develop a program to deliver quick and low-cost safety projects. Desarrollar un programa para realizar proyectos de seguridad rápidos y económicos.	Add speed feedback signs along high injury corridors and in school zones. Añadir señales de velocidad a lo largo de los corredores con mayor riesgo de lesiones y las zonas escolares.
Develop a program to enforce speeds through speed safety cameras. Desarrollar un programa para controlar los límites de velocidad a través de cámaras.	Work with partners to lower speed limits on high injury corridors, where appropriate. Trabajar con los socios a fin de reducir los límites de velocidad en los tramos con mayor riesgo de lesiones, según corresponda.	Launch an education campaign focused on impaired driving, speeding, and bicyclist/pedestrian awareness. Lanzar un campaña educativa centrada en la conducción bajo los efectos del alcohol, el exceso de velocidad y la concienciación sobre el uso de bicicletas/peatones. The poster board included:

- Map of High Injury Corridors (HIC)
- 11 Actions
- Text was in English and Spanish
- QR code to the TSAP website
- Each person had 3 dots to distribute on the board.
- Total of 500 “votes” = 165 participants

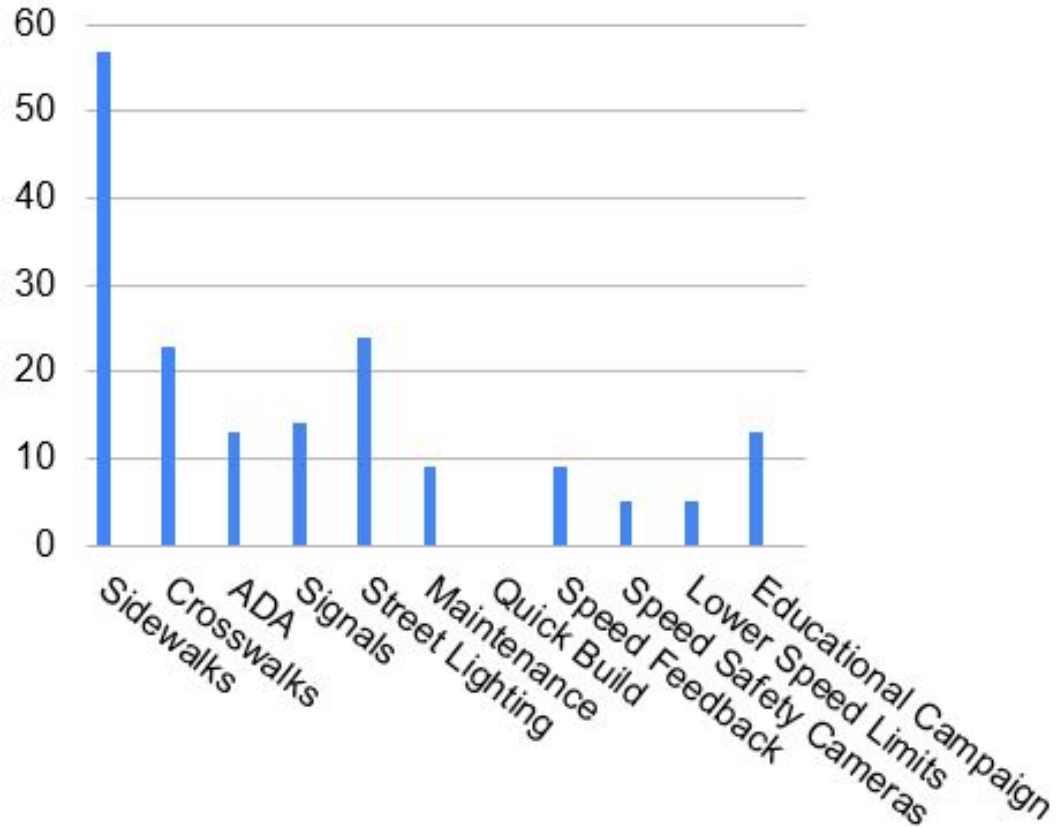

Transportation Safety Action Plan - Total 2026 Events

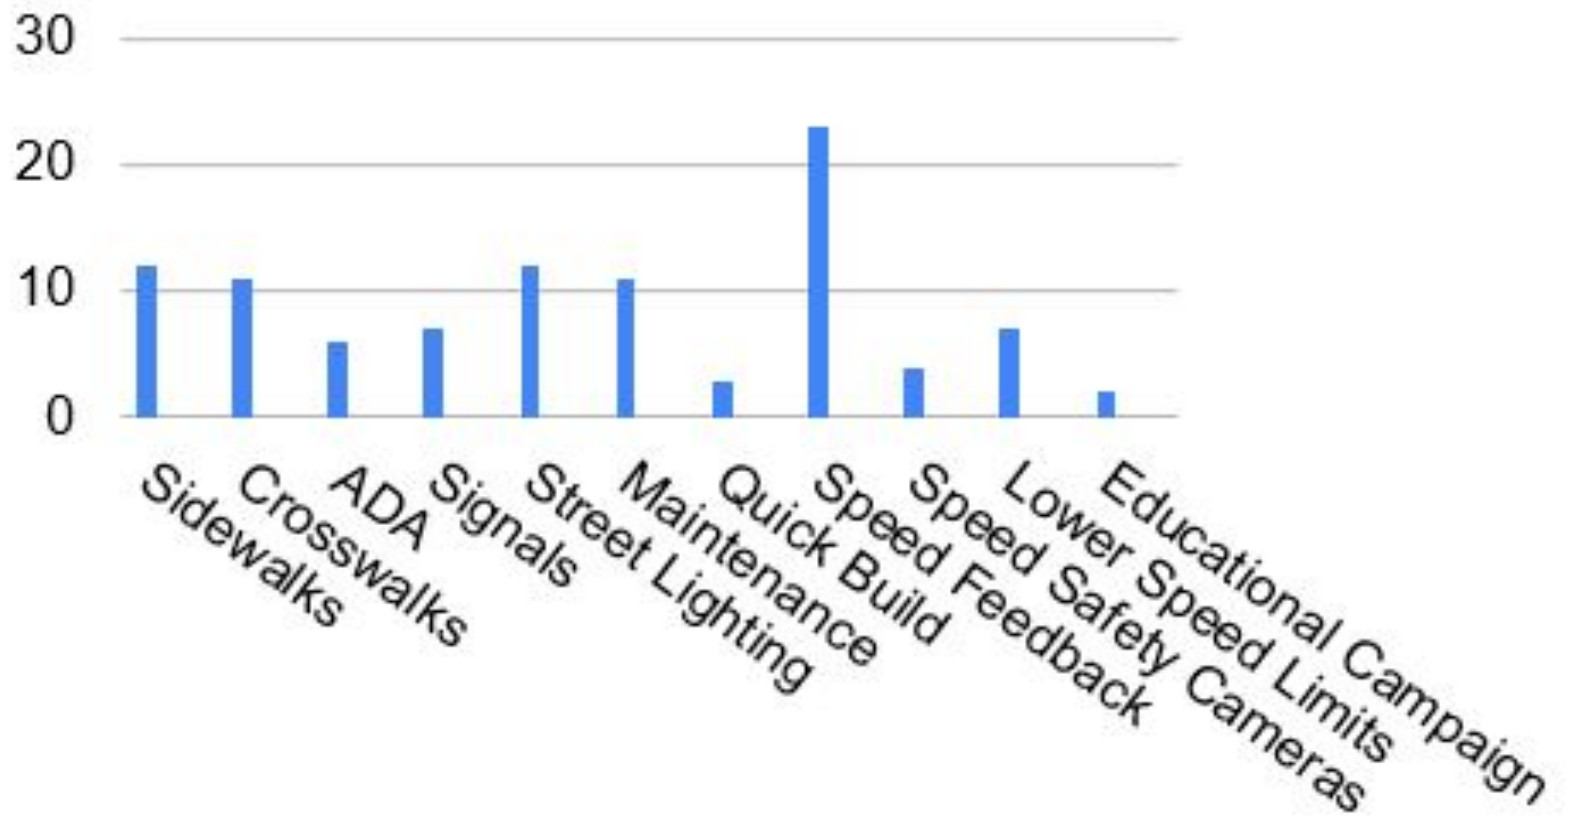

Transportation Safety Action Plan - Wood Village Night Out - 7/17/2026

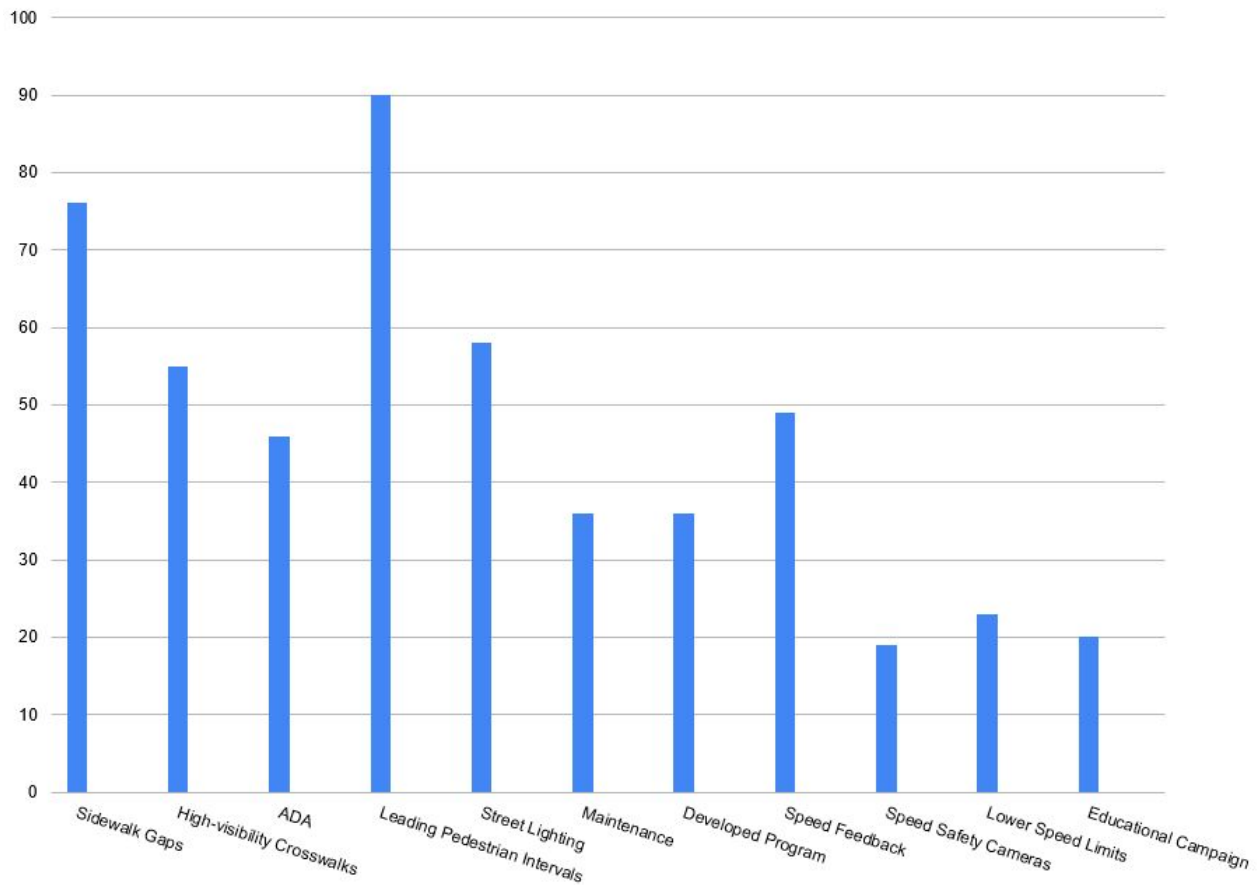

Transportation Safety Action Plan - Fairview Summerfest - 7/25/26

Transportation Safety Action Plan - Troutdale First Friday - 7/7/2026

Transportation Safety Action Plan - 4 Gresham Events

Transportation Safety Action Plan - Annual Reporting

We can compile information for EMCTC each year to track our Vision Zero Goal. It can include:

- Year in Review
- Progress on Action Items
- Recent Crash Data and Trends
- Goals for the Upcoming Year

Transportation Safety Action Plan - Annual Reporting

Safe System Approach - Safe Roads

- Sidewalks, bike lanes, ADA
- Street Lighting
- Crosswalks
- Quick Builds/Low Cost Improvements
- Corridor Improvements
- Maintenance Actions - repairs, vegetation

Transportation Safety Action Plan - Annual Reporting

Safe System Approach - Safe Speeds

- Speed Feedback signs
- Speed Enforcement
- Lower Speed Limits

Transportation Safety Action Plan - Annual Reporting

Safe Systems Approach - Road Users

- Safety Reports at EMCTC, TAC, and BPCAC
- Community Outreach
- Safe Routes to School
- Grants and new projects
- Education Campaigns

Transportation Safety Action Plan - Annual Reporting

Safe System Approach

Post Crash Care

- Multnomah County Health Dept

Safe Vehicles

- Fleet vehicle safety features
- **National Highway Traffic Safety Administration** advanced safer vehicles, adding pedestrian protection to its 5-Star Safety Ratings in September, showing whether each 2027 model's hood, windshield and bumper passed new tests for injuries to people walking.
