

**BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON**

PROCLAMATION NO. 2020-089

Proclaiming October 12, 2020 as Indigenous Peoples' Day in Multnomah County, Oregon.

The Multnomah County Board of Commissioners finds:

- a. The American Indian, Alaskan Native and Indigenous heritage of the United States extends since time immemorial and is a vital influence in our country's prosperity.
- b. The United States rests on the ceded territory of the Indigenous Tribal Nations of this region and their homelands and villages; and we acknowledge the loss of life when European explorers came to this country.
- c. Our name, "Multnomah," is derived from an Indigenous word and we conduct daily business on Indigenous soil. We recognize that we are guests and stewards of this land.
- d. We value the many contributions made to our community by Tribes and Indigenous Peoples: their knowledge, labor, environmental advocacy, science, philosophy, arts and the deep cultural contribution that has substantially shaped the character of our region.
- e. That Indigenous Peoples' Day shall be an opportunity to celebrate the thriving traditions and deeply rooted values of the Indigenous Peoples who reside in Multnomah County and their ancestors before them.
- f. By honoring and celebrating our region's first peoples, we are reclaiming a piece of history and choosing to no longer observe a time of genocide.
- g. Today Multnomah County recognizes the more than 70,000 American Indian and Alaska Natives living in our region, and honors the important role that Tribal Leaders play in sustaining our culture, promoting community health and making positive impacts every day in the lives of the people of Multnomah County.

The Multnomah County Board of Commissioners Proclaims:

October 12th, 2020 as Indigenous Peoples' Day in Multnomah County, Oregon, to honor and celebrate the many contributions made by the Indigenous peoples throughout our vibrant community. We encourage other businesses, organizations, public institutions and community members to recognize Indigenous Peoples' Day, and to take time to learn and teach others around the history and cultural significance of our county and Indigenous community.

ADOPTED this 8th day of October, 2020.
