

**BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON**

PROCLAMATION NO. 2024-083

Proclaiming October 2024 as National Cyber Security Awareness Month in Multnomah County, Oregon.

The Multnomah County Board of Commissioners Proclaims:

- A. Counties recognize the vital roles they play in identifying, protecting community members from, and responding to cybersecurity threats that may have significant impact to individual and collective safety and privacy.
- B. Critical infrastructure (i.e., financial services, educational institutions, energy, telecommunications, transportation, utilities, health care, and emergency response systems, etc.) is increasingly reliant on the support of information systems and technology.
- C. Cybersecurity education and awareness is crucial for everyone, including large corporations, small businesses, financial institutions, schools, government agencies, the home user, and anyone who connects to the internet, be it with a computer, mobile phone, or other internet-connected device.
- D. Monitoring accounts, being conscientious of what is shared online, keeping computer software up to date, creating unique passwords and changing them regularly, installing antivirus programs and firewalls, and using mobile devices and other internet-connect devices safely are ways individuals and organizations can protect themselves from phishing, viruses, ransomware, other types of malware, financial loss, and loss of sensitive data.
- E. There is a need to inspire, engage, and inform the public about the demand, opportunities, and career options available within the area of cybersecurity. Building the nation's and Multnomah County's cybersecurity workforce enhances the nation's security and promotes economic prosperity.
- F. Multnomah County is dedicated to providing every individual and public and private organization in Multnomah County the resources necessary to ensure the understanding, implementation, and success of Cybersecurity Awareness Month to help the residents of Multnomah County stay safe online and connect with confidence.
- G. The STOP. THINK. CONNECT.™ Campaign serves as the national cybersecurity public awareness campaign, implemented through a coalition of private companies, nonprofit, government organizations, and academic institutions working together to increase the public's understanding of cyber threats and empowering Americans to be safer and more secure online; and the National Institute of Standards and Technology (NIST) Cybersecurity Workforce Framework is a free resource to help organizations (both large and small, public, and private) improve their cybersecurity practices through a practical approach to addressing the ever-evolving cybersecurity threats and challenges.

- H. Maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of essential cyber hygiene will improve the security of Multnomah County, Oregon's information, infrastructure, and economy.
- I. The County Cyber Security Program was established in April 2018 to enhance and protect Multnomah County, Oregon's cybersecurity ecosystem.
- J. The Federal Government of the United States of America, the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (www.cisa.gov), the Multi-State Information Sharing and Analysis Center (<https://www.cisecurity.org/ms-isac>), the National Association of State Chief Information Officers (www.nascio.org), and the National Cyber Security Alliance (www.staysafeonline.org) all recognize October as Cybersecurity Awareness Month; and all citizens are encouraged to visit these websites, and the STOP. THINK. CONNECT.™ Campaign website (www.cisa.gov/stopthinkconnect or www.stopthinkconnect.org) to learn about cybersecurity to put that knowledge into practice in their homes, schools, workplaces, and businesses;

The Multnomah County Board of Commissioners Proclaims:

October 2024 as Cybersecurity Awareness Month in Multnomah County, Oregon..

ADOPTED this 3rd day of October, 2024.
