Re: 2023 Regional Transportation Plan Call for Projects Endorsement

Dear Ms. Ellis,

The East Multnomah County Transportation Committee (EMCTC) has reviewed the proposed Regional Transportation Plan projects for inclusion in the early year constrained (2023-2030), late year constrained (2031-2045), and strategic (not constrained but identified for 2031-2045). East County jurisdictions have coordinated to update the project list to fit within the provided cost targets based on consistency with regional criteria and the most current local plans and priorities.

EMCTC endorses the projects shown on the three attached lists. These projects represent regionally significant investments in transportation infrastructure in Multnomah County, Fairview, Gresham, Wood Village, and Troutdale.

Sincerely,

Commissioner Lori Stegmann, Multnomah County District 4
