01:13:07 Oscar Rincones, He/Him - Multco Zoom Support: • Which of the secondary detour routes are you most (or least) likely to use and Why?

- Are there detour route features that should be prioritized (avoiding steep slopes, overall shortest distance, fewest constriction points, exposure to traffic, delays due to trains)?

- What other ideas, suggestions and comments would you like to share today?

01:13:25 John Russell, PE: Agree with Andrew about the esplanade Switchbacks. Difficulties navigating the switchbacks are one of the main reason that I choose to bike in traffic on the upper deck on the Steel Bridge.

01:51:14 Valerie Schiller: Yes, thank you for the process.

01:52:35 Valerie Schiller: I am unable to attend in July.

01:52:55 AJZ: should be here

01:53:11 joelhuffman: I won't be here in July and Sept

01:53:38 John Russell, PE: I'm fine with canceling either July or August. Sounds like July may be the best fit for other folks.

01:57:48 AJZ: Great work for SRTR efforts
