Healthy Minds, Happy Children, Hopeful Futures!

A good education is a critical foundation for a successful life. All our children deserve the opportunity to live and learn in schools that support their learning needs, engage their families, and foster community.

After completing my first term as a board member I am ready and willing to head into my second. In my next term I promise to use the skills and development I have gained from my previous term as a springboard from which I will continue to climb as a leader. Continuous growth is my personal motto for the next four years as I aim to reach new heights as a community leader.

As education comes under attack in this country it is imperative that bodies like local school boards stand together for the good of the children. That is why I am also proud to continue working with my colleagues on the school board and will personally aim to be as cohesive as possible. When people work together they can achieve great things.
