Candidate Statement

Invested community member

I've been a part of the Reynolds School District community for over thirty years. My four children attended Glenfair, HB Lee and graduated from RHS. I became a teacher in the District in 1996 and have recently retired. I have seen the changes in our District, the good and the challenging, and am passionate about continuing to do my part.

Strong union supporter

I became involved with the union to support teachers and students to achieve more. I was voted into leadership and was president for several years. Being in the union taught me how to communicate with diverse stakeholders and build consensus for progress.

Dedicated public school proponent

I believe public schools are the center of the community where students can find knowledge and build skills to become successful in life. Public schools offer students from all backgrounds the chance to explore and participate in new activities. Strong public schools are a key part of a resilient future.
