The past four years I have served the Reynolds community and my work on the board has helped improve student outcomes across the district, strengthen relationships with educators, and led the district through some of its biggest challenges in recent years. I am a life-long educational advocate and a parent of a Reynolds student. I believe when our community works together, every student can succeed.

If reelected to serve another term, I will focus on:

- Student Achievement - Our most important priority is ensuring all Reynolds students succeed academically. We have made gains these past four years in reading and math scores, and we must stay the course to meet our board goals. This means investing in curriculum, reducing class sizes, and strengthening community partnerships.

- Collaboration - By working collaboratively on our shared goals, we can all deliver the highest quality education for our students. This means working together with our teacher and staff unions, administrators, and our youth leaders.
- Fighting for Funding - Oregon schools continue to be underfunded. It is critical we leverage our collective voices to demand the state adequately fund our schools. We also need to invest locally in upgrading our school facilities to ensure our students have the best learning environment.

I will work tirelessly to ensure every Reynolds student receives the best educational experience so they can thrive.
