Occupation: Business Owner

**Occupational Background**: I own a generational local family business that has served our community for 42 years. With over 100 employees and multiple locations, I have hands-on experience in operations, finance, human resources, and real estate.

**Educational Background**: Finance degree from the McLaren School of Business at the University of San Francisco.

Governmental Experience: As a sworn police officer for nine years, I served on an active shooter prevention team, as well as the SWAT team. Ensuring a safe learning environment for students and staff is my highest priority. I would assess current safety procedures and recommend necessary improvements while strengthening collaboration between Riverdale and local law enforcement.

I'm dedicated to strengthening Riverdale School District's education so all students may experience the same exemplary education I did. As a Riverdale alum, I will be a visible advocate, engaging with parents, educators, and residents to promote transparency and ensure the community feels heard. Strong schools thrive when families are informed, engaged, and invested. As the husband of a former teacher, I understand the challenges educators face and will advocate for policies that support teachers, reduce turnover, and create a positive environment where they feel valued and equipped to succeed.

I am proud to have deep-rooted ties to this community that span generations. My wife and I are raising our children—two sets of identical twins—right here in Dunthorpe. I want to ensure their journey, from RGS through RHS, is exceptional and enriching. My desire is to foster a long-term vision that ensures our district stands strong for generations to come.

I am passionate about rekindling Riverdale's pride and community. As a school board member, I will advocate for equity, close achievement gaps, and ensure all students have the support they need to thrive. By combining innovation with tradition, we can restore the district's vibrancy. I would be honored to have your vote.
