PASTOR ROBIN IS BUILDING BRIDGES TO COMMUNITY IN MAYWOOD PARK AND BEYOND

I have been a resident of Maywood Park for the last 17 years and envision a growing, inclusive community for all residents. From my depth of connections to Multnomah County commissioners, state representatives, community organizers, the local school district, and local law enforcement, I hope to see Maywood Park given an elevated voice. My vision includes creative community events and opportunities for deeper connections between neighbors. I strongly believe in neighbors caring for neighbors as key to reduction in crime and beneficial to the growth of our city. I have led many diversity initiatives with government departments and would bring valuable experience to our city council.

I see Maywood Park in the same way that Dr. Martin Luther King, Jr. saw the Beloved Community:

- As a Black man who has experienced exclusion, I would like to create pathways for neighbors to have welcoming and easily accessible discussions that raise the council's awareness of the experiences of Black and Brown folks in Maywood Park so that we can truly value our diversity.
- I believe we should adopt the community policing model, where law enforcement has a collaborative partnership with our city to solve problems and build trust.
- Establish an Equity & Inclusion committee to assist the council to appropriately recognize, denounce, and eliminate discriminatory practices and behaviors in and around Maywood Park.

Standing on the shoulders of many good people, I will be your faithful servant.
