**Participants in Review of Multnomah County Case File T3-2022-1622**  
Portland Water Bureau Filtration and Pipeline Projects

The following are the deadlines that apply to the filing of post-hearing evidence and argument for the review on remand of Portland Water Bureau land use applications in Case File T3-2022-1622 as I set them yesterday at the close of the hearing on remand of Case File T3-2022-1622:

- May 5, 2025 at noon: Open record period
  - May 8, 2025 at noon objections to materials filed during open record period
- May 19, 2025 at noon: Responsive record period— all evidence and arguments must be a response to materials filed after April 16, 2025 and by May 8, 2025; no new issues or evidence
  - May 22, 2025 at noon – deadline for objections to materials filed during responsive record period
- May 27, 2025 at noon: Opponents’ and County staff’s final argument; final argument must be based on information in the record
  - May 30 at noon – deadline for objections to inclusion of new evidence in final argument of opponents and/or County staff
- June 3, 2025 at noon: Applicant’s final argument; final argument must be based on information in the record
  - June 6, 2025 at noon – deadline for objections to inclusion of new evidence in final argument

- June 25, 2025: Hearings Officer's Decision

If objections are filed, I will endeavor to issue an Order responding to the objection promptly. My response to objections to the applicant's final argument will be included in my decision.

Sincerely,

*Liz Fancher*
