**This is no time for politics as usual.**

Now more than ever, Portland needs a hard-working, courageous, compassionate mayor who can bring us together to reshape our city toward greater equity and sustainability.

The current mayor promised us experience and competence, but he's failed to solve our city's problems. The Portland we love could be unrecognizable after four more years on his watch.

**I'm offering you an alternative.**

I grew up in a union family in a factory town and worked my way through school while raising my family. I know anything is possible when we come together and work hard but we need a **leader who believes in the power of community with the right values, practical experience, professional know-how, and a sense of optimism to see us through.**

My small-donor campaign means that in City Hall, I'll **fight for everyday Portlanders in public, not for big-money donors and corporate lobbyists behind closed doors.**

I'm endorsed by powerful grassroots organizations like **Our Revolution, Sunrise Movement, and The Street Trust Action Fund** and greenlighted by **Basic Rights Oregon Equality PAC and Oregon Smart Growth.**

I'm the only leading candidate championing these comprehensive solutions:

- **A Green New Deal for Portland** creating good-paying union jobs while regaining global climate leadership
- **Housing for All Strategy** for more affordable housing, protecting renters, distributing homelessness solutions across neighborhoods, and building age-friendly communities
- **Public Safety Reforms** saving taxpayers money while protecting Portlanders through police accountability, safer streets and transit access, and safeguarding immigrants and refugees
- **Representative Government** we can trust to serve everyone, including Communities of Color and residents of East Portland
- **Coordinated Disaster Response** including investments in education, preparedness, and infrastructure
