Portland is changing. The growing pains are intense, but opportunities abound. I bring the bold vision, practical experience, and collaborative capacity needed to keep Portland unique as we grow.

### **A city that moves is a city that works...**

As a sustainability expert, I advise cities how to finance infrastructure. I can build partnerships that ensure our safety, mobility, and productivity.

I will:

- **Repair and unclog streets**
- **Set ambitious goals to reduce traffic fatalities to zero**
- **Build healthy, connected neighborhoods across Portland**

### **A city that works, works for everyone...**

I opened my restaurant in Outer Southeast Portland to create good paying jobs in a diverse neighborhood where my employees can afford to live. A locally-based economy is strong and equitable.

I will:

- **Increase access to quality education and employment, especially for low-income Portlanders and communities of color**
- **Ensure affordability for ALL to live, work, create, and play**
- **Invest in a world-class, community-driven Police Bureau**

### **A city that works for everyone is prosperous, resilient, and sustainable...**

I put myself through college while raising a family and starting a business. I have worked at all levels of this city to make it the best place it can be. I will represent Portland as a Mayor we can be proud to call our own.

I will:

- **Grow our city sustainably, equitably, and beautifully**

- **Reform government to be smart, effective, and inclusive**
- **Strengthen communities to withstand disaster and climate change**
