

INTERNSHIP PROGRAM!

The Multnomah County SHEIDD Project is proud to offer a paid internship opportunity to young adults who receive ODDS services, to strengthen and support Individuals with I/DD. The Internship Program begins April 2nd and goes through June 30th. You will gain education, training, and mentorship to work on a self-advocate led project related to sexuality and disability. This program is being offered thanks to funding from an ODDS grant for an innovative racial equity focused program. Apply by 9AM on March 24th 2025!
