- For optimum effectiveness, before joining the meeting disconnect from VPN, restart your computer and close all applications not needed for the meeting (and, if you have the ability to hardwire your computer to the internet, this will also help to increase your bandwidth)
- If you have not participated in a ZOOM meeting before, please practice logging in before the meeting
- Please join us up to 15 minutes before the meeting to be sure that you won't have a problem connecting to the meeting (please limit conversation to resolving connection issues during this time)
- Please remain on Mute during the meeting to avoid unintentional noise or feedback for others
- If you are using your phone for audio or joining the meeting by phone, use ***6 to mute/unmute** or ***9 to use the Raise hand feature** (you can't use a phone to lower your hand)

IMPORTANT NOTICE: Please note that this ZOOM service allows audio and other information sent during the session to be recorded, which may be discoverable in a legal matter. We will inform all meeting attendees prior to recording if we intend to record the meeting **(this meeting WILL BE recorded)**

Below are 5 short, helpful ZOOM instructional videos and instructional resources:
