

Signature Does Not Match

We have not counted your ballot because the signature on your ballot return envelope does not match the signatures on your voter registration record. **It is not too late for your ballot to be counted.** Please take the following **two** steps for your ballot to be counted:

1. Complete the voter registration card on the back of this letter. **Please try to sign your name the same way you did on your ballot.**
2. Mail or deliver your updated registration card to us **by 5:00 p.m. on November 24, 2026** at 1040 SE Morrison St., Portland, OR 97214. We are open Monday through Friday from 8:00 a.m. to 5:00 p.m. **OR you can scan or take a digital picture of your signed form and email it to us at elections@multco.us.** ***Please note: if you choose to email, please also mail the paper form, so that we can scan a quality image into your registration record.

If you do not return an updated voter registration card with a signature matching the signature on your ballot return envelope by the **November 24th deadline**, **your ballot will not be counted and your voter registration will be considered inactive.** This means that you will not receive ballots for future elections or be qualified to sign petitions until you submit an updated registration card.

In accordance with Oregon law, a list of voters whose ballots could not be counted will be available to the public upon request beginning fifteen days after Election Day.

If you have any questions, please contact us at 503-988-8683 or elections@multco.us.

Thank you,

Tim Scott, Elections Division Director
