I was born and raised in Manila, Philippines but migrated to Gresham, OR and have been a Gresham resident for 12 years. My work experience in our city included being an AVID Tutor, SUN Program Instructor and Transitions Program Coordinator for five years. This has enabled me to see first-hand the many challenges that our diverse disadvantaged face, making it difficult for them to access education and realize their potential. Consequently, amazing success stories of women who took the Transitions Program are sure proof for me that an integrated and collaborative support system is an effective life changer, an effective approach that can be applied to address equally challenging concerns like homelessness, addiction, violence and crime.

I am not a politician. However I commit to bring to the Council if elected my experience as educator, administrator, with skills set in process analysis, quality management, values learned from my faith and first-hand experience working for the disadvantaged, contributing a reasoned and mature perspective about the various challenges that we face today as a city. With my immigrant background I would like to be a voice for those who are truly grateful for their acquired citizenship and deeply honored to be called an American. I believe that this dynamic background that I have, along with my work experience, will be a positive and unifying influence toward policy-making that is fair and beneficial to all.
