PROGRESSIVE PRINCIPLES, REAL RESULTS

Steve Novick is a lifelong activist always eager to get things done. Early in his term, he was impatient for change, and at first, was not always easy to work with. But now, working together with fellow city leaders and community members, he's accomplished much, collaborating to:

Improve the lives of Portland's workers and families

- Established **paid sick leave** for Portland workers.
- Ensured a **\$15 minimum wage** and paid family leave for full-time City workers.
- Provided discounted downtown parking for low-income late shift workers.
- Implemented the new **"text to 911"** system so hearing impaired people or people who can't safely talk in an emergency can get help.

And now he's working to protect low-wage workers from unpredictable work schedules that disrupt their lives.

Provide concrete plans to address Portland's housing and homeless crisis

- Adding \$30 million in **housing and homeless services**.
- **Funding new affordable housing** with construction excise tax.

*Steve is fighting to require developers to **build affordable units** as part of new housing construction, and **end improper evictions** by providing "Just Cause" protections for renters.*

Steve is taking action addressing climate change

- Converted streetlights to LED lights, saving millions and reducing carbon emissions.
- Made investments making it safer and easier for people to **walk, bike, or take transit** instead of driving, reducing congestion and emissions.
