

SUN Coordinating Council

Purpose

The SUN Service System Coordinating Council guides and supports the System to achieve its intended results and fulfill its commitment to equity and racial justice; maintains a strong collective impact partnership; and shares accountability for results.

Roles/Responsibilities

- Advise sponsors on policy areas and financial allocation related to the SUN Service System
- Engage in strategic planning including system review and design and development of system goals, outcomes and priorities
- Align programs to work toward those goals
- Develop supportive policies
- Engage the community to strengthen alliances and ensure voices are heard / incorporated
- Support implementation of the Multnomah County Equity and Empowerment Lens
- Champion the system in a collective way
- Review dashboards and evaluation to measure success and monitor system performance. Support continuous improvement efforts linked to results.
- Address systemic barriers and respond to emergent issues and trends

SUN Coordinating Council

Structure

The Council will have one permanent subcommittee, a Data and Results Subcommittee, and a structure for youth advising and input. Ad hoc workgroups will be formed as needed.

A regular schedule for engaging families, youth and community members to hear their input will be established.

Membership

The Coordinating Council's membership includes representatives of organizations that impact the System's success in achieving its key results: educational success and family stability and representatives of those most impacted by the System's services. Membership reaches beyond the organizations that contribute resources to the System in order to ensure community and youth voice and collective action among organizations that share SUN's goals. The System is committed to creating a diverse body and racial/ethnic diversity will be taken into account in the identification of members; the goal is for at least half of the Council members at any given time to be people of color, immigrants or refugees.

SUN Coordinating Council
