❖ Why are you receiving this notice?

- State Law requires that the County provide notice of certain land use applications to neighbors within a specific distance of the subject property.
- **If you do not wish to submit comments, no response is necessary.**

❖ The purpose of a Lot of Record Verification is to confirm:

- That the subject property was established in compliance with the zoning and land division laws at the time it was created.
- If the subject property is aggregated with another property for development purposes.

NOTE: If a property is not a Lot of Record, the County cannot approve building permits, zoning reviews, etc. until such time as the zoning or land division problem with the property is corrected.

❖ A Lot of Record Verification DOES NOT:

- Authorize any development on the subject property.
- Change the zoning for the property or allow different uses.

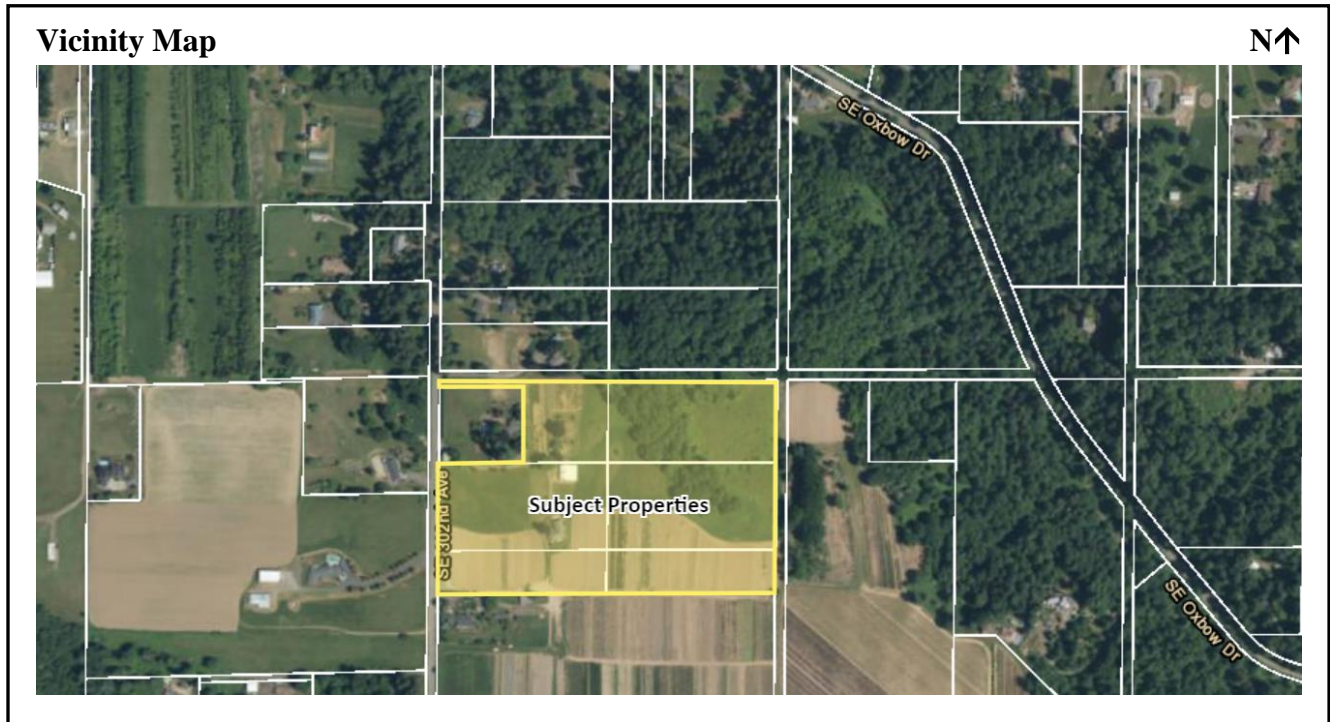

❖ COMMENT PERIOD: Neighbors are invited to submit written comments for the proposal described above. Comments should be directed toward the approval criteria listed below. Any neighbor that submits comments will receive the County's complete decision. Written comments will be accepted at LUP-comments@multco.us if received by **4:00 pm on April 1, 2025**. **If you do not wish to submit comments, no response is necessary.**

The Planning Director's decision can be appealed. An explanation of the requirements for filing an appeal will be included in the notice of decision.
