Findings of Fact

FINDINGS: Written findings are contained herein. The Multnomah County Code (MCC) criteria and Comprehensive Plan Policies are in **bold** font. Staff analysis and comments are identified as ‘**Staff:**’ and address the applicable criteria. Staff comments may include a conclusionary statement in *italic*.

1.0 Project Description:

Staff: The applicant requests a Lot of Record Verification for the property identified as 33515 SE Oxbow Drive (subject property). The application does not propose any new development currently.

Through the Lot of Record Verification process, the County reviews the creation or reconfiguration of each parcel, lot, or unit of land involved in the request. The County then verifies that the creation or reconfiguration of the parcel, lot, or unit of land satisfied all applicable zoning laws and all applicable land division laws in effect on the date of its creation or reconfiguration. In the EFU zone, the County also considers adjacent ownership on February 20, 1990 in determining whether a parcel, lot, or unit of land is a Lot of Record on its own. If the parcel, lot, or unit of land met all applicable zoning laws, applicable land division laws and meets the aggregation requirements, it may be determined to be a Lot of Record.

2.0 Property Description:

Staff: The subject property is in unincorporated east Multnomah County in the area known as the West of Sandy River rural area. The property is zoned Exclusive Farm Use and is located outside of Metro’s Urban Growth Boundary (UGB). According to Assessment and Taxation records, the subject property is occupied by a single-family dwelling and two detached accessory structures.

3.0 Public Comment:

Staff: Staff mailed a notice of application and invitation to comment on the proposed application to the required parties pursuant to MCC 39.1105 (Exhibit C.4). Staff did not receive public comments during the 14-day comment period.

4.0 Code Compliance and Applications Criteria:

4.1 MCC 39.1250 CODE COMPLIANCE AND APPLICATIONS.

Except as provided in subsection (A), the County shall not make a land use decision approving development, including land divisions and property line adjustments, or issue a building permit or zoning review approval of development or any other approvals authorized by this code for any property that is not in full compliance with all applicable provisions of the Multnomah County Zoning Code and/or any permit approvals previously issued by the County.

(A) A permit or other approval, including building permit applications, may be authorized if:

* * *

Staff: As noted in Section 1.0 above, this application is a request for a Lot of Record Verification, which does not require the County to approve development, including land divisions and property line adjustments, or issue a building permit or zoning review approval. *These criteria are not applicable.*

5.0 Lot of Record Criteria:

5.1 MCC 39.3005 - LOT OF RECORD – GENERALLY.

(A) An area of land is a “Lot of Record” if it meets the standards in Subsection (B) of this Section and meets the standards set forth in this Part for the Zoning District in which the area of land is located.

(B) A Lot of Record is a parcel, lot, or a group thereof that, when created or reconfigured, either satisfied all applicable zoning laws and satisfied all applicable land division laws, or complies with the criteria for the creation of new lots or parcels described in MCC 39.9700. Those laws shall include all required zoning and land division review procedures, decisions, and conditions of approval.

(1) “Satisfied all applicable zoning laws” shall mean: the parcel, lot, or group thereof was created and, if applicable, reconfigured in full compliance with all zoning minimum lot size, dimensional standards, and access requirements.

(2) “Satisfied all applicable land division laws” shall mean the parcel or lot was created:

(a) By a subdivision plat under the applicable subdivision requirements in effect at the time; or

(b) By a deed, or a sales contract dated and signed by the parties to the transaction, that was recorded with the Recording Section of the public office responsible for public records prior to October 19, 1978; or

(c) By a deed, or a sales contract dated and signed by the parties to the transaction, that was in recordable form prior to October 19, 1978; or

* * *

Staff: To qualify as a Lot of Record, the subject property, when created or reconfigured, must meet MCC 39.3005(B) of this section and meet the Lot of Record standards set forth in the Exclusive Farm Use (EFU) zoning district. More specifically, section (B) above requires demonstration that the subject property (a) satisfied all applicable zoning laws and (b) satisfied all applicable land division laws. The Lot of Record standards set forth in the EFU district establish additional requirements unique to the district, which are evaluated in Section 5.2 of this decision. The findings below analyze whether the Lot of Record provisions in section (B) have been met.

The applicant provided two deed(s) to support the Lot of Record request (Exhibit A.3). The earliest sales contract provided was recorded in 1969 and contains a legal description matching the current configuration of the subject property (Exhibit A.2). In 1969, the subject property was zoned F-2 per historical County zoning maps (Exhibit B.3). The F-2 zone had a minimum lot size of 2 acres. There were no requirements for road frontage or minimum front lot line length or lot width requirements.

The subject property is 6.35 acres and abuts Oxbow Drive (a public road). The applicant provided a current deed for the subject property that contains a legal description that matches the recorded 1969 legal description (Exhibits A.2 & A.3).

The subject property complied with all applicable zoning laws at the time of its creation or reconfiguration.

In 1969, the process to create or divide a parcel required a deed or sales contract dated and signed by the parties to the transaction. The document needed to be in recordable form or recorded with the County Recorder prior to October 19, 1978. As evidenced by the 1969 deed, the applicable land division laws were satisfied (Exhibit A.3).

Based upon the above, the subject property satisfied all applicable zoning and land division laws when it was created or reconfigured in 1969.

5.2 MCC 39.3070 LOT OF RECORD – EXCLUSIVE FARM USE (EFU).

(A) In addition to the standards in MCC 39.3005, for the purposes of the EFU district a Lot of Record is either:

(1) A parcel or lot which was not contiguous to any other parcel or lot under the same ownership on February 20, 1990, or

(2) A group of contiguous parcels or lots:

(a) Which were held under the same ownership on February 20, 1990; and

(b) Which, individually or when considered in combination, shall be aggregated to comply with a minimum lot size of 19 acres, without creating any new lot line.

1. Each Lot of Record proposed to be segregated from the contiguous group of parcels or lots shall be a minimum of 19 acres in area using existing legally created lot lines and shall not result in any remainder individual parcel or lot, or remainder of contiguous combination of parcels or lots, with less than 19 acres in area. See Examples 1 and 2 in this subsection.

2. There shall be an exception to the 19 acre minimum lot size requirement when the entire same ownership grouping of parcels or lots was less than 19 acres in area on February 20, 1990, and then the entire grouping shall be one Lot of Record. See Example 3 in this subsection.

3. Three examples of how parcels and lots shall be aggregated are shown in Figure 1 below with the solid thick line outlining individual Lots of Record:

4. The requirement to aggregate contiguous parcels or lots shall not apply to lots or parcels within exception or urban zones (e.g., MUA-20, RR, RC, SRC, BRC, R-10), but shall apply to contiguous parcels and lots within all farm and forest resource zones (i.e. EFU and CFU), or

(3) A parcel or lot lawfully created by a partition or a subdivision plat after February 20, 1990.

(4) Exception to the standards of (A)(2) above:

(a) Where approval for a “Lot of Exception” or a parcel smaller than 19 acres under the “Lot size for Conditional Uses” provisions has been given by the Hearing Authority and the parcel was subsequently lawfully created, then the parcel shall be a Lot of Record that remains separately transferable, even if the parcel was contiguous to another parcel held in the same ownership on February 20, 1990.

Staff: The subject property is 6.35 acres and was owned by Barbara & Donald Place on February 20, 1990. Staff reviewed the 1989 and 1990 ownership of adjacent properties that are zoned EFU to see if any were owned by Barbara & Donald Place. No other property shared common ownership as of February 20, 1990. The subject property meets MCC 39.3070(A)(1) and is not aggregated with any adjacent properties.

Map, Tax lot	Alternative Acct #	Property Size	1989 Ownership	1990 Ownership

(B) In this district, significant dates and ordinances applicable for verifying zoning compliance may include, but are not limited to, the following:

* * *

Staff: Section (B) is for information purposes.

(C) A Lot of Record which has less than the minimum lot size for new parcels, less than the front lot line minimums required, or which does not meet the access requirements of MCC 39.4260 may be occupied by any allowed use, review use or conditional use when in compliance with the other requirements of this district.

Staff: The subject property has less than the minimum lot size for new parcels or lots in the EFU zone and is subject to (C) above. It may be occupied by any allowed, review or conditional use when in compliance with the other requirements of this district provided it remains a Lot of Record. *Criterion met.*

(D) The following shall not be deemed a Lot of Record:

- (1) An area of land described as a tax lot solely for assessment and taxation purposes;**
- (2) An area of land created by the foreclosure of a security interest;**
- (3) A Mortgage Lot.**
- (4) An area of land created by court decree.**

Staff: As discussed above under section 5.1, the subject property is not an area of land described as a tax lot solely for assessment and taxation purposes. The subject property is not an area of land created by the foreclosure of a security interest, mortgage lot, or created by court decree. *Criterion met.*

Based on the findings in 5.1 & 5.2 above, the subject property is a single Lot of Record.
