Findings of Fact

FINDINGS: Written findings are contained herein. The Multnomah County Code (MCC) criteria and Comprehensive Plan Policies are in **bold** font. Staff analysis and comments are identified as ‘**Staff:**’ and address the applicable criteria. Staff comments may include a conclusionary statement in *italic*.

1.0 Project Description:

Staff: The applicant requests a Lot of Record Verification for the property identified as 10740 NW Laidlaw Rd (1N1W22D-01200) (subject property). The application does not propose any new development currently.

Through the Lot of Record Verification process, the County reviews the creation or reconfiguration of each parcel, lot, or unit of land involved in the request. The County then verifies that the creation or reconfiguration of the parcel, lot, or unit of land satisfied all applicable zoning laws and all applicable land division laws in effect on the date of its creation or reconfiguration

2.0 Property Description:

Staff: The subject property is in unincorporated west Multnomah County in the area known as the West Hills rural area. The property is zoned Rural Residential (RR) and is located within Metro’s Urban Growth Boundary (UGB). According to Assessment and Taxation records, the subject property is occupied by a single-family dwelling with attached garage.

3.0 Public Comment:

Staff: Staff mailed a notice of application and invitation to comment on the proposed application to the required parties pursuant to MCC 39.1105 (Exhibit C.2). No public comments were received during the 14-day comment period.

4.0 Code Compliance and Applications Criteria:

4.1 MCC 39.1250 CODE COMPLIANCE AND APPLICATIONS.

Except as provided in subsection (A), the County shall not make a land use decision approving development, including land divisions and property line adjustments, or issue a building permit or zoning review approval of development or any other approvals authorized by this code for any property that is not in full compliance with all applicable provisions of the Multnomah County Zoning Code and/or any permit approvals previously issued by the County.

(A) A permit or other approval, including building permit applications, may be authorized if:

* * *

Staff: As noted in Section 1.0 above, this application is a request for a Lot of Record Verification, which does not require the County to approve development, including land divisions and property line adjustments, or issue a building permit or zoning review approval. *These criteria are not applicable.*

5.0 Lot of Record Criteria:

5.1 MCC 39.3005 - LOT OF RECORD – GENERALLY.

(A) An area of land is a “Lot of Record” if it meets the standards in Subsection (B) of this Section and meets the standards set forth in this Part for the Zoning District in which the area of land is located.

(B) A Lot of Record is a parcel, lot, or a group thereof that, when created or reconfigured, either satisfied all applicable zoning laws and satisfied all applicable land division laws, or complies with the criteria for the creation of new lots or parcels described in MCC 39.9700. Those laws shall include all required zoning and land division review procedures, decisions, and conditions of approval.

(1) “Satisfied all applicable zoning laws” shall mean: the parcel, lot, or group thereof was created and, if applicable, reconfigured in full compliance with all zoning minimum lot size, dimensional standards, and access requirements.

(2) “Satisfied all applicable land division laws” shall mean the parcel or lot was created:

(a) By a subdivision plat under the applicable subdivision requirements in effect at the time; or

(b) By a deed, or a sales contract dated and signed by the parties to the transaction, that was recorded with the Recording Section of the public office responsible for public records prior to October 19, 1978; or

(c) By a deed, or a sales contract dated and signed by the parties to the transaction, that was in recordable form prior to October 19, 1978; or...

*** * ***

Staff: To qualify as a Lot of Record, the subject property, when created or reconfigured, must meet MCC 39.3005(B) of this section and meet the Lot of Record standards set forth in the RR zoning district. More specifically, section (B) above requires demonstration that the subject property (a) satisfied all applicable zoning laws and (b) satisfied all applicable land division laws.

The subject property is 27,103.50 sq. ft (0.62 acres) (including ½ of the public right-of-way), abuts NW Laidlaw Rd (a public road), and has a front lot line length of 212.94 feet (Exhibit B.2). The applicant provided two deed(s) to support the Lot of Record request. The earliest deed provided was recorded/in recordable form in 1948 (Exhibit A.7) and contains a legal description matching the current configuration of the subject property (Exhibit A.4). The County adopted its first Zoning Ordinance in 1953, and therefore, there were no applicable zoning laws at the time the property was first described.

The subject property complied with all applicable zoning laws at the time of its creation or reconfiguration.

In 1948, the process to create or divide a parcel required a deed or sales contract dated and signed by the parties to the transaction. The document needed to be in recordable form or recorded with the County Recorder prior to October 19, 1978. As evidenced by the 1948 deed, the applicable land division laws were satisfied (Exhibit A.7).

Based upon the above, the subject property satisfied all applicable zoning and land division laws when it was created or reconfigured in 1948.

5.2 MCC 39.3090 - LOT OF RECORD – RURAL RESIDENTIAL (RR).

(A) In addition to the standards in MCC 39.3005, for the purposes of the RR district the significant dates and ordinances for verifying zoning compliance may include, but are not limited to, the following:

* * *

Staff: Section (A) is for information purposes.

(B) A Lot of Record which has less than the minimum lot size for new parcels or lots, less than the front lot line minimums required, or which does not meet the access requirement of MCC 39.4395, may be occupied by any allowed use, review use or conditional use when in compliance with the other requirements of this district.

Staff: The subject property has less than the minimum lot size for new parcels or lots in the RR zone and is subject to (B) above. *Criterion met.*

(C) Except as otherwise provided by MCC 39.4380, 39.4385, and 39.5300 through 39.5350, no sale or conveyance of any portion of a lot other than for a public purpose shall leave a structure on the remainder of the lot with less than minimum lot or yard requirements or result in a lot with less than the area or width requirements of this district.

Staff: Subsection (C) is for informational purposes. The property owner is not proposing to convey any portion of the lot at this time. *Criterion met.*

(D) The following shall not be deemed to be a lot of record:

- (1) An area of land described as a tax lot solely for assessment and taxation purposes;**
- (2) An area of land created by the foreclosure of a security interest.**
- (3) An area of land created by court decree.**

Staff: As discussed above under section 5.1, the subject property is not an area of land described as a tax lot solely for assessment and taxation purposes. The subject property is not an area of land created by the foreclosure of a security interest or created by court decree. *Criterion met.*

Based on the findings in 5.1 & 5.2 above, the subject property is a single Lot of Record.
