Prior Governmental Experience: Fairview City Councilor, January 2014-Present

We live in a wonderful, unique town. We have strong schools, safe streets, and small businesses that have helped our local economy grow even when times are tough. With over 46 years of experience in business development, I can help lead the effort to expand opportunities bringing more goods, services and jobs to Fairview for economic development.

Here are some of the priorities I will have as your Mayor.

Community Assets

- Move Advisory Committee meetings to Community Center to facilitate citizen input
- Update the Comprehensive Plan to map Fairview's future

Community Safety

- Rejuvenate and establish new Neighborhood Watch programs
- Focus Public Safety Advisory Committee on safety measures in school zones
- Ensure park development does not out pace maintenance to ensure safety

Community Development

- Create limited fee waivers for employers bringing new jobs to Fairview
- Review the Return on Investment of making City vacant land "build ready" to help Fairview compete within East County

Community Fiscal Health

- Focus on increasing revenue from new development to ensure long-term financial stability of City's budget
- Balance the City budget so reserves are not used for on-going operations

"The FBA endorses Ted Tosterud because he presents a clear list of priorities with specifics to bring focus and vision to the city. He is focused on increasing interaction with residents; simplifying and opening up the fiscal process to greater public scrutiny and promoting economic development with specific ideas to help Fairview compete. He has also served as a bridge within the council to help move forward some of the stalled issues confronting the city." Anestis A. Polizos, Fairview Business Association
