(Candidate Statement: Terri Preeg Riggsby)

Dear Voter,

I am excited to continue working with WMSWCD to address the natural resource challenges in Multnomah County, encourage strong connections between the Board, landowners and residents, and local government, and find ways to bring in dollars to help urban and rural citizens complete voluntary conservation projects.

I have:

- Collaborated on winning close to \$1 million in grants in the District;
- Partnered to involve 1,000's of volunteers in habitat improvements projects on private and public properties;
- Effectively worked with the Cities of Portland and Lake Oswego, Metro, OWEB, ODOT, United States Fish and Wildlife Service and local non-profits.

Together we can work to restore our important urban streams for wild Coho and Steelhead, support pollinator and bird habitat with native gardens, and ensure vibrant, local food production on Sauvie Island and throughout our District.

Thank you,
Terri
