**I love Troutdale...and would appreciate your vote!**

Here are some of the many reasons you may wish to vote for me:

- ✓ I have been involved in local environmental endeavors, such as participating in Sandy River cleanup and encouraging responsible development of our urban renewal district.
- ✓ While serving on the Troutdale Budget Committee, I led out in questioning this year's proposed Troutdale city budget, which—in the midst of the economic downturn associated with the COVID-19 pandemic—proposed an approximately \$5 million increase over last year.
- ✓ I have organized and directed community Christmas caroling in Troutdale for numerous years, providing an opportunity for family-friendly activities and positive neighborhood interaction.
- ✓ While serving on the Troutdale Citizens Advisory Committee, I made the motion to recommend allowing residents the opportunity to vote on whether or not to change our election procedure for city council members to a 'top-three' system, which is designed to encourage competition and increase diversity in the election process.

- ✓ I have taught courses in government and economics for over 20 years, helping young people to know the U.S. Constitution and encouraging them to get involved through positive and peaceful action in their communities.

**I look forward to working with you to help make our amazing little city even better!**

Thank you for your collaboration and support,  
Tim Erich
