### **MEET TIM**

Tim fears for the effect industrial pollution has on his sons, works hard to create solutions for affordable housing, and advocates for parks. He is a student of urban planning who stands for fiscal responsibility and common-sense change.

"I worked with Tim on a major construction project, and found he is able to coordinate scheduling, maintain a budget, and do the work necessary to get the job completed properly and on time" Michael Church, Contractor

### **HOUSING**

Every Portlander is or knows someone who struggles to make ends meet. With so many teetering on the brink of homelessness during calm times, any disaster can spiral families out of a home. The lack of affordable housing is more than a humanitarian crisis, it is an economic crisis for the city. Portland must support builders to expand affordable housing. As a City Council member, Tim will reduce red tape and prioritize providing quality, affordable housing for all Portlanders.

### **SAFE PARKS**

Tim sees the benefit of public green spaces. His ideas to create additional revenue streams can be used to revitalize aging structures and facilities, and to keep open beloved family hangouts, like Columbia Pool.

"Tim . . . demonstrated a genuine open-mindedness even when varying perspectives were presented. His creativity, common sense and understanding . . . will serve him well

in the Portland City Council" Nicolai Kruger, Nicolai Kruger Studios
