About Me: Troutdale has been my home for over 32 years. My family and I love Troutdale, it's small town feel and it's proximity to so many recreational activities. From riding bikes, to taking walks, to enjoying the Sandy River or visiting our local restaurants, **Troutdale is a wonderful place to live and work. I want to preserve that for future generations.** That's why I volunteer on committees and have attended and testified at various city meetings for several years.

I believe in:

affordability – Taxes and fees are out of control and are pricing residents out of their homes. We need to find solutions that work for all residents.

financial accountability and transparency – We need to be able to show citizens why tax dollars are taken and how they are being used.

public safety – This is the primary role of government.

livability with a thriving business community

I am committed to:

keeping city rates as low as possible

balancing the budget with transparency and a thorough review

making sure we have police and fire services that meet the needs of our citizens

having clean, safe, vibrant parks

I care about Troutdale and its citizens and will put you first!
