The opportunity to serve the community I have lived in my entire life would be an honor! My name is Geoffrey Wunn and I was born and raised in Troutdale. After finishing nursing school, I decided that it was also the perfect place to raise a family of my own. As my boys get older, I have realized that it is important for me to be involved in the growth and development of Troutdale. This is a city that I love and I believe that a fresh set of eyes on the city council would be beneficial to everyone. Two of my biggest goals are to see Troutdale become a place where businesses can grow and thrive, and where people and families can feel safe and welcomed. I want Troutdale to be a city that people want to live in and visit! Education is also highly important to me, so I will stand behind our schools and teachers. As a youth sports coach for the past 10 years, I also believe in access to sports for all children not only for their physical health but also for their mental health. While I would enter into this position with some ideas and goals of my own, I am also open and willing to hear ideas and concerns from citizens in this community. I would truly be here to represent you. I do not believe that a city is run by one person. I think it takes the minds, thoughts and ideas of a diverse group of people to make a city successful. I believe this can be the case for Troutdale by collaboratively working together with our fellow officials to mold it into the best city it can be!
