The screenshot shows the UCR system interface. At the top, there is a navigation bar with the Multnomah County logo, 'UAT - RealID', and 'UCR'. Below this is a menu with options like 'Search', 'Person', 'Referral', etc. The main section is titled 'Find Person' and contains search fields for 'Last Name', 'First Name', 'Nickname/Alias', 'SSN', 'Prime #', 'Date of Birth', 'Alt ID', and 'Client ID'. Below the search fields, there is a message: 'Didn't find who you were looking for? [Create New Person](#)'. A table shows search results with columns for 'Last Name', 'First Name', 'MI', 'Nickname', 'DOB', 'SSN', 'Prime #', 'ALT ID', 'Gender', 'OA Status', 'UCR Status', 'Primary', and 'Duplicate'. Two results are shown: 'TestUser' and 'User'. Both have checkboxes for 'Primary' and 'Duplicate' marked. A red arrow points to the 'Submit Duplicate Request' button at the bottom left.
