**Occupational Background:** Small Business Owner

**Educational Background:** PSU Bachelors, MHCC

**Prior Governmental Experience:** Urban Flood and Safety Water Quality District - Inaugural Board member; Multnomah County: Mid-County Lighting District Board member, East Multnomah County Transportation Committee - Chair, Commissioner. Since serving on the inaugural board of the Urban Flood and Safety Water Quality District in 2020, I have gained invaluable experience and knowledge that will help reduce the flood risk along the Columbia River that will enable us to better prepare and respond to flood emergencies. I have a deep understanding of the District's work to maintain levees, convey water, and protect communities so we don't ever have a repeat of the Vanport Flood. My experience with resiliency hubs and climate change policies will ensure our region's economic vitality as we find innovative, nature-based ways to keep our community safe and in harmony with our surrounding waterways.

As the District 4 Multnomah County Commissioner for the last eight years my mission has been to bring more resources than ever to East County. Together we have accomplished much. From the siting of the new East County Library that will be completed in 2026, to the student health center at Reynolds High School. To the Vance Vision community development plan where nearly 90 acres in the heart of Rockwood will be redeveloped to serve one of the most diverse and low-income parts of our county.

And while my term ends as a county commissioner, I'm not done. I have always strived to be a true public servant - to do the greatest good for the most people. I'd like to continue that role as a member of the Urban Flood and Safety Water Quality District. I ask for your vote.
