I have volunteered for 9 years for the Drainage District, and hope to assist in this effort to modernize our system and protect the jobs, property and lives that are protected by this system. And believe when possible, board members should be volunteers to represent the citizens and not have current or future business contracts with the district.

I have worked to keep the cost for maintenance and upgrades as low as possible and still keep our accreditation. Worked to reduce the annual operating cost from \$37,000,000 to \$16,700,000. Worked to reduce the bond project expense from \$250,000,000 to \$150,000,000.

"Tanney Staffenson has been a wise voice on the Drainage District Board for the past decade. He understands flood control and local governance. He has been in the trenches, creating the new district and knows what we need to watch for. It will be good to have someone with experience and common sense on the Board"

Corky Collier Board Member

"Tanney Staffenson has a deep commitment to ensuring Portland's flood safety. He has served for over 5 years as the chair of the budget committee for the UFSQWD. He effectively represents the taxpayers and effective spending of tax payer funds.
