"Educational Background"

Utah State University, Bachelor of Science, Economic Theory

"Prior Governmental Experience"

Interim Board Member, Urban Flood Safety Water Quality District; Budget Committee Chair, City of Fairview; Urban Renewal Planning Committee, City of Fairview; City of Portland Bureau Of Emergency Communications User Board Finance Committee Chair; Multnomah County Mid-County Lighting District Budget Committee

"Optional Information"

We need to continue the good work of the retired legacy drainage districts to provide improved flood protection to the District residents. It is vitally important that the UFSWQD efficiently and effectively uses the available \$100 million of federal funding to upgrade our 100 year old levee system.

District voters have already approved \$150 million of General Obligation Bonds to match the federal funding, being proper stewards of your taxpayer funds is a serious responsibility.

We need to build on the successful initial launch of the new District and to begin in earnest the levee upgrades with the US Army Corps of Engineers and bring improved flood safety to the District homes and businesses protected by the Portland Metropolitan Levee System.

Having been involved with Levee Ready Columbia, and the Initial Board of the UFSWQD, I hope to continue to contribute to supporting community flood safety, the region's economic vitality, and improvement to the health of the river, watershed and natural environment, through the District's operations and programs.

I believe the Fairview Lake Property Owners Association, Interlachen, Inc. homeowner's association (HOA) and my 300 fellow residents of the Fairview Terrace HOA, and I all want to see the District be operationally successful and economically efficient.

Vote for Erich Mueller, Position 5, Urban Flood Safety Water Quality District.
