How to Access the Individual Benefits in OA

- When opening a case, the IE/ME Information panel may also pop-up
- Otherwise, to access this panel, click on "view", "case", then "IE info". The panel will look something like this:

Click on the "Financial Eligibility" tab

How to Access Individual Benefits in OA

A screen like this will display. It includes the names of the individuals in the household, the benefits currently authorized for the individual, the IE/ME case number (referenced in the ONE system), the start/renewal date of the benefit, and an end date if available.

Understanding the Individual's Benefits

There are many benefit possibilities that may display. Here are the most common ones and what they mean:

Type of Assistance*	Definition
OSIPM with Services (LTCSERV or NMAGISERV)	Receiving LTC services and OSIPM Medicaid
OHP Plus with Services (MSERV)	Receiving LTC services and MAGI Medicaid
OHP Plus Adult (ADLT)	Receiving MAGI Medicaid
SNAP	Receiving SNAP benefits
*Qualified Medicare Beneficiary	Receiving QMB assistance (paying Medicare premium)
OSIPM-SSI(SSIR)	Receiving OSIPM due to SSI eligibility

For OPI: Individuals with any Types of Assistance that include OSIPM or MAGI are not eligible for OPI.

*The information in parenthesis refers to codes that are displayed in the ONE system.
**There are different levels of assistance with this program, however the guide does not go into this level of detail.
