Joan Sebastián Durán Guerrero

Age: 25/26 **Country of Origin:** Columbia

Johan Sebastián Durán Guerrero was authorized to work in the United States and had been issued a Social Security number, according to a joint statement from the Maine Immigrants' Rights Coalition and Presente! Maine. Guerrero worked as a food delivery driver and frequently collected orders from local vendors and restaurants. He had a partner and a 3-year-old daughter.

On the morning of July 13, 2026, Guerrero was driving in his vehicle when he was approached by plainclothes Immigration and Customs Enforcement (ICE) agents in unmarked vehicles. According to DHS, agents attempted to stop a vehicle leaving the address. The department said the driver tried to flee and that “fearing for public safety, an officer discharged his weapon”. Nearby residents said Guerrero’s partner and daughter witnessed the aftermath of the shooting. Neighbors heard the family’s cries echo through the streets immediately after.

The agents involved were not wearing body cameras and witnesses claim that they had been in Biddeford to arrest someone other than the man who was shot. This investigation is ongoing.
