(Optional Information Section)

Dear Voter,

I am excited to continue working with our Multnomah County neighbors to address our natural resource challenges. I will facilitate strong partnerships to bring in dollars to help both our rural and urban neighbors complete voluntary, beneficial conservation projects.

In the past I have:

- Collaborated on winning over \$1 million in grants for local projects;
- Worked to involved 1,000's of volunteers for parks, habitat, playground, and transportation improvement projects;
- Effectively worked with local, state and federal governments as well as numerous local non-profits and schools to complete real, on-the-ground projects.

The 1,000 Friends of Oregon said "Terri Preeg Riggsby works harder than almost anyone to protect and improve Portland-area watersheds," *1,000 Friends of Oregon* (<https://bit.ly/2wVeNIU>). Please vote for me and together we can work to further improve our water and soil resources to ensure healthy local food production, reduce stormwater and flooding problems, and improve human, fish, and wildlife habitat for this and future generations.

Thank you,
Terri
