

Join the Community Health Center Board!

We are the governing board of the Multnomah County Community Health Center, and together we are changing health care for the better.

About the CHCB

The Community Health Center Board (CHCB) is a group, made up mostly of patients, that governs Multnomah County's health clinics. The CHCB provides direction on policies affecting patients.

About the Community Health Center

Multnomah County operates this clinic and others too! We serve people on the Oregon Health Plan (OHP), Medicare, and people who are uninsured or underinsured. There are 7 primary care, 7 dental, and 9 school-based clinics.

Apply online!

Visit the CHCB website at multco.us/health/chcb or contact our Board Liaison at chcb.liaison@multco.us for more information.
