About *What Works*

Multnomah County's **Local Public Safety Coordinating Council** regularly offers the *What Works* conference to state and regional policy makers to provide them with information on best practices that will guide their decision-making. You can find information about upcoming conferences on the LPSCC website: lpscc.org.

This year's conference is co-sponsored by Oregon's **Criminal Justice Commission** and the **Citizens' Crime Commission**.

About the Governor's 2012 Commission on Public Safety

Governor Kitzhaber convened the Commission to "identify fiscally responsible and sustainable evidence-based policies and practices that will control corrections growth, hold offenders accountable and protect public safety."

The 2012 Commission on Public Safety received technical assistance from the **US Bureau of Justice Assistance** and **Pew Center for the State's Public Safety Performance Project** through BJA's Justice Reinvestment Initiative.
