

# WHO IS TOUCHING **YOUR** FOOD?

**IF YOU SEE OR SUSPECT FOOD HAS BEEN CONTAMINATED, PROTECT YOURSELF AND OTHERS. CONTACT A MANAGER IMMEDIATELY.**

- ✓ Do not allow customers into food prep and dishwashing areas.
- ✓ Monitor public areas for suspicious activities or loitering.
- ✓ Monitor self-service areas (salad bars, grab and go bins) for tampering, and be aware of anyone lingering around.
- ✓ Keep personal items away from food prep and dishwashing areas.
- ✓ Use your badge, nametag, or uniform if one is provided.
- ✓ Notify your manager immediately if you notice any suspicious activity, or experience symptoms of illness.
- ✓ Examine ingredients before using them, don't use food that has an unusual look or smell.
- ✓ Keep locked areas locked.
- ✓ Make sure all deliveries are attended.
- ✓ Check the identification of vendors and service workers.
- ✓ Store all cleaning products and other chemicals away from food.
- ✓ Know what your restaurant's food defense plan is.

**IF PEOPLE ARE SHOWING ILLNESS OR SUSPECT IS THREATENING OTHERS, CALL 911**

For all other intentional food contamination incidents, call law enforcement, stating you believe there has been an intentional poisoning of food. Multnomah County Sheriff's Office/Portland Police (503) 823-3333

If contaminated food may have been served to people, call the Health Department, Multnomah County Environmental Health (503) 988-3400
